FRIDAY, MAY 17, 1929

Local Bidders Awarded Contracts for Swimming Pool and the Bath House

Steinberger to Build Plunge and Hildebrandt the Bath House

Council Holds Special Session To Expedite Construction Work

Local contractors were the successful bidders for both the contract for building the municipal bath house and comfort station and for alterations of the swimming pool in Canyon Park. Contracts were awarded by the city council at a special meeting Wednesday forenoon called for the purpose of expediting the construction of these long-awaited improvements, since the number and complexity of the bids opened at the regular session Tuesday afternoon made it impossible for the trustees to reach a fair and accurate decision until after City Engineer O. A. Gierlich and officials of the Canyon Improvement Association had had time to check all details carefully.

The contract for the bath house, with store and concession included, was awarded to F. H. Hildebrandt for the sum of \$4500, which includes installation of Smith chemical toilets with a 10-year guarantee from the manufacturer, and also the construction of the public comfort station adjacent to the bath house for \$702, the latter to be built by the city. Mr. Hildebrandt proposes to complete the bath house within 45 days, or about July 1st. Nine bids were submitted.

The contract for the swimming pool was awarded to H. H. Steinberger at \$2,278. V. R. Bush, low bidder, requested and was granted permission to withdraw his bid. Six bids were considered. The pool is to be completed the latter part of June.

Upon motion of Henry Isaacs, the city council agreed to install a fence around the pool and to lay all necessary water pipe connections to the pool and pump, same to be paid for out of the general fund in an amount not to exceed \$400. The council felt that in so far as the canyon district is expending \$7600 for this project, which is of city-wide benefit and located on city property, the city should assist in making an improvement which will be a credit to the entire city by this small additional outlay.

Work of cleaning sand and rock from the swimming pool started Wednesday under supervision of Street and Water Superintendent J. E. Carpenter.

The request from the Canyon Improvement Association for street signs at important intersections and a street light for Audubon Way between Sturtevant Drive and the pool, was referred to Trustees Henry Isaacs, Joseph Belohlavek and Al Myers, the street committee.

Recommendations for the paving of roads in Canyon Park were submitted by the Canyon Improvement Association as follows: That the following streets in Sierra Madre Canyon Park be paved: Woodland Drive, Sturtevant Road to the intersection of Alta Vista Drive, Vista Circle Drive, Alta Vista Drive, Oakdale Drive, Sunnyside Lane from Woodland Drive to Brookside Lane and that portion of North Canon Drive in Tract 2456.

That all the above named streets be paved to a width of 16 feet, back to back of curb, with the exception of Sturtevant Road and Woodland Drive, which will be paved to 18 feet back to back of curb, roads to be crowned in the center with curbs on both sides and concrete gutters where necessary.

That reasonable changes of road alignment be made in order to preserve valuable trees. That these streets be paved with 5-inch asphaltic concrete (non-skid type) where grades are such to permit proper rolling of same, otherwise 5-inch cement concrete to be used. That this improvement of Tract 2456 be put through under the

Children's Day Services to Be Held Sunday

Next Sunday will be observed as Children's Day at the Congregational Church. As the pastor is leaving next week to attend the biennial meeting of the National Council at Detroit, the church and minister were both anxious to have this festival before he went. The children and adults will unite in a special service at 11 o'clock. There will be dedication of children in baptism, and the popular junior choir will sing several songs.

The Pastor is to give an illustrated talk appropriate to the day. The various departments of the school will all be represented in the program and the orchestra will play.

Mr. and Mrs. Howard Lieben, Mr. and Mrs. S. L. Graham, Mr. and Mrs. V. C. Hill, Mr. and Mrs. H. H. Steinberger, Miss Evelyn Marvin, Mrs. Stella Dennison, Mr. and Mrs. Robert Steinberger and Mr. George Scott, spent Saturday and Sunday at Seal Beach, using the Norris cottage for their headquarters.

Mrs. Hapgood Passes Into Long Rest

Was Courageous Sufferer for Long Period of Years Here

Mrs. Agnes C. Hapgood, a resident of Sierra Madre for the past eight years, passed away at her home, 237 North Baldwin Avenue, Sunday afternoon at 5:15 o'clock, after an illness of more than eight years. Death was caused by tuberculosis. She was 37 years of age.

Funeral services for Mrs. Hapgood were held Tuesday morning at 10 o'clock from the Baldwin Avenue home and were attended by a host of friends. The Rev. Arthur O. Pritchard, pastor of the Congregational Church, conducted the burial rites. Mrs. Donald C. Ashmore sang "Just As I Am" and "Jesus, Saviour, Pilot Me." Six members of the American Legion Post here acted as pallbearers. Interment was made at Mountain View Cemetery, Pasadena.

Mrs. Hapgood was born in Fall River, Mass., June 1, 1891, the daughter of Samuel and Agnes Mercer, who now reside at 258 North Adams street. On December 24, 1915, she was united in marriage with George E. Hapgood at Fall River. Some 14 years ago, they went to Saranac Lake, N. Y., for Mrs. Hapgood's health, but shortly thereafter removed to Sierra Madre, where they have lived since. Mrs. Hapgood was a member of the American Legion Auxiliary here.

She is survived by her husband, one daughter, age 9, her parents, five sisters, Mrs. Mary Duff of Battle Creek, Mich.; Mrs. Ruth Clinton Turner of Magnolia, Maryland; Mrs. E. I. Allen of Fresno, Calif.; Mrs. Albert Connell of Santa Monica, and Mrs. Oscar Jacobson of Pine Knot, Big Bear, Calif., and three brothers, Richard, Joseph and Edward Mercer, all of Battle Creek, Mich.

Mrs. Womack and Mrs. Colbert were Wednesday luncheon visitors at the Little Madrid tea room in Pasadena.

Mrs. Ludwig Melzer spent the day, Monday, in Los Angeles.

Miss Virginia Jones has returned from San Diego where she spent the week end with Mrs. H. L. Moody.

Mattoon Act, 1927 revision.

The matter was referred to the engineer in conjunction with City Attorney Wygant to report at the next meeting.

POLICE DEPARTMENT VICTIM OF APRIL POOL JOKE, IN MAY

Hermann the Great may have been a fine prestidigitator, but he had nothing on the fellow who caused a Chrysler coupe to appear and disappear before the startled gaze of the local police force.

The coupe was first put "under observation" Monday morning at 1:30. It was kept under surveillance for several hours, and the night patrolman then called Pasadena department, where it was discovered the car was a "hot" one. Directions as to the location of the car were given to Pasadena, and it was supposed the owner was on the way to procure his property. Later on, the car was checked by the local police and found to have been "claimed".

Thursday noon the Pasadena police called and said the owner was ready to come over and get his car. Figure it out for yourself, but don't try to get funny about it around the city hall.

Civic League Meet Draws Packed Hall

Engineer Gives the Complete Figures on Proposed Improvement

A packed house manifested intense interest at the first public meeting of the newly-organized Progressive Civic League, held Tuesday evening in the City Hall and presided over by President Oscar Seiling, who made an earnest appeal to all citizens of Sierra Madre to get behind the organization whose motives, he explained, were to further harmony and civic progress in an impartial and impersonal manner.

Prof. Seiling, who is chairman of the City Planning Commission, expressed sincere assurance that the League would continue beyond the date set for the present recall election and that anyone who has suggestions for civic betterment will always have a fair hearing before this organization. His introductory remarks met with a hearty response from the audience.

The first speaker on the program was Myron Haig, secretary of the San Gabriel Valley Development Association, who predicted a future for this great territory which will exceed anything that Los Angeles county has ever known if the valley will work together as a whole, subjugating selfish interests for the betterment of the whole. He particularly stressed the prospects of this section for aeronautical development, due to the excellent climatic conditions with a minimum of wind velocity and a maximum of visibility due to absence of fogs.

The last speaker on the program was Russel Parson, an attorney of Los Angeles, who gave a stirring address in which he bitterly attacked the injustice of the California recall law as a whole. He explained the widespread failure of public officials.

(Continued on Page Two)

'Kindling' to Be Presented by Local Players

The Sierra Madre Community Players announce a play to be given by them about the middle of June. "Kindling," by Charles Kenyon, is the one chosen. Many will remember this as a virile, gripping drama of slum life. Much interest, it is expected, will be aroused over this effort to "put over" serious drama locally.

Although "Kindling" does not "hit us right where we live," for problems of fresh air and sunshine do not afflict us in Sierra Madre, it presents a wide range of human emotions and temptations that cannot fail to tighten our heart-strings, should we happen to have any. Charles Kenyon, like so many successful playwrights, began his work as a newspaper man in San Francisco and his style reflects the colorful realism of that school.

Wygant Is Speaker at Luncheon

Points to Value of Conservative Development of City Property

Urges Action in Regard to Proposed Opening of Baldwin

Pleading earnestly for conservative, careful and wise investment in civic improvements by any municipality or community, Robert C. Wygant, city attorney of Sierra Madre, addressed the Kiwanis club at the regular luncheon meeting Tuesday. "But we can grow only in proportion to our investment, either as individual business men or as a community," he stated.

Mr. Wygant cited the case of Monterey Park where the building permits taken out in 1928 amounted to more than twenty times those of 1927. The impetus was given, he explained, by an improvement program totaling more than one and a quarter million dollars. The speaker urged that in all cases the cost of such improvement be borne by the property as a whole which will derive benefit from the project, which is the substance of the California State Improvement Law.

Ole Hanson, Sr., Mr. Wygant said, made the plain statement to him that he withdrew from activity in Sierra Madre because this city "has no front door." Mr. Hanson stated further, asserted Mr. Wygant, that if ever this city does open up the streets so that people can get in here to see what a delightful little city it is, he will return at once and start a development program for acre and half-acre tracts to attract the better class of residents, which will be a project second only to his San Clemente program.

One matter that should be undertaken just at this opportune time, the city attorney stated, is the opening of Baldwin avenue thru to the beach. Mrs. Baldwin has given several thousand dollars worth of property and much cash besides to the city of Arcadia to open up a road thru her property, and Mr. Wygant thinks the time is just right to see if Sierra Madre cannot get the same concession.

He furthermore urged that when improvements are put in they should be of such quality as to outlast the bond issue. Los Angeles made the mistake several times of doing a mere temporary job of it. Referring to the matter of recalls, Mr. Wygant suggested that the law should require that they be signed in the presence of the city clerk in order that proper thought be given to the matter.

Lieut. District Governor of Kiwanis District No. 10, John W. Eberle of Pasadena, was a visitor and urged the club to inject a lot of singing into the meetings. He was also called upon to induct a new member into the local club, Dr. John ("Jack") L. Woehler, dentist. Mr. Eberle extended an invitation to Sierra Madre Kiwanians to meet as a whole with the Pasadena Club next Thursday noon, May 23. The bid was accepted 100 per cent and the regular meeting here next Tuesday will be dispensed with. The meeting at Pasadena will be at 200 South Euclid Avenue.

Arrangements were made to charter a boat for next Wednesday for an all day fishing trip on "the high and rolling seas." Reservations for Kiwanians and their families should be made with "Doc" Hughes at the Central Pharmacy.

Rudolph Hartman, Jr., as the Father, and Dorothy Ropp as Mrs. Jones, the mother, with ten other children from Miss Taylor's 4th grade class, appeared creditably in a Health Fairies play on the P.T.A. program Wednesday.

Mr. H. A. Haworth of the Pasadena schools gave an interesting illustrated lecture on Visual Education.

HELP LOCAL AMERICAN LEGION PROCURE FINE PIANO FOR NEW HOME

The American Legion and Auxiliary at last have a new home in the basement of the City Hall. And the Legionaires and their ladies have their hearts set upon a piano for this home.

The Sierra Madre News discovered this "secret longing" and hit upon a happy idea to help the Legion out. We will put the matter frankly:

We believe that a more united spirit can be brought about if public information can be carried by us to all residents of this city.

Out of every NEW subscription at the rate of \$2.00 a year, which is sent to this office or paid to any member of the Legion or Auxiliary for the next 30 days, beginning May 20, the News will reserve one-half, or \$1.00, of the amount to apply on the purchase of the much-needed piano.

Fair enuff, isn't it? Let's go!

Survey Road Through Big Santa Anita

Work to Roberts Camp Completed by County Crews

A. D. Choate of First Water Camp and his brother, Howard, were in town Thursday attending to business matters. Mr. Choate said that business at his camp is splendid, and has been very good ever since he purchased the place a year ago. Fishing is good from the dam on up, though the deep water fishing is not as good as it will be a little later in the season.

Mr. Choate states that the surveying crews who have been working in the canyon for some time past have completed the survey up to Roberts Camp, and will now begin the preliminary survey to Barley Flats, where the road will tie in with the highway to the desert. Three crews of surveyors have been working in the canyon and their reports will go in immediately. As soon as the plans and profiles can be completed a call for bids on the work will be made and work will go forward on the project.

Mr. Choate states the road will continue up the Double Drive and connect up with the old Sturtevant Trail. Completion of the project will be of great importance to Sierra Madre, which will become, in effect, the gateway to a mountain drive of unusual interest.

A tragic note in the surveying operations was sounded Monday when E. P. Holmes, who suffered major injuries last spring when he fell down a 75-foot cliff, again had the misfortune to fall, this time selecting a site that offered a 65-foot drop to the rocks beneath. He was again carried out on a stretcher and was taken to the Monrovia hospital. He had been on the job just one day after his discharge from the hospital. He was seriously cut and bruised but fortunately escaped without any broken bones.

W. J. Fox to Talk Of the County Highway Plans

W. J. Fox, highway engineer of the county planning commission will be the speaker at the meeting of the Woman's Club following luncheon. The speaker will have for his topic, "Sierra Madre and the County Program of Highways and Scenic Routes," and will show how such arteries will affect this city. Mr. Fox is an interesting speaker who is well known in Sierra Madre, and will be cordially welcomed.

The program will be under the auspices of the Public Welfare section of the Woman's Club and is scheduled for 1 o'clock. Any one interested in this phase of development, locally and thruout Southern California, is assured of a welcome by club members.

Model Home to Be Open For Inspection by Public Three Days Next Week

Chinese Missions Will be Subject at Church Luncheon

Dr. Arthur H. Smith who has spent 50 years in China, will be the feature attraction at the World Friendship luncheon to be held at the Congregational Church Tuesday, May 21, according to an announcement by Mrs. Ralph Lord who considers the club very fortunate to get such an able speaker. He will tell of the new era in Chinese missions. In addition to this address there will be the usual sewing for the Plaza Home and a business meeting at 9:30 a. m., followed by a Chinese luncheon at 12:30 under the direction of Mrs. Homer Glidden and Mrs. Hortense Hill. Reservations may be made with Miss Virginia Jones.

There will be devotions led by Mrs. Fred Staff. Gustav Rihard will give a piano selection.

The hostesses, Miss Muriel Tarr and Miss Virginia Jones will appear in costume. Each lady is asked to invite a guest, especially the strangers in Sierra Madre, and men will be welcome, as this is a wonderful opportunity to hear an unusual speaker.

Two Fire Calls Show Lack of Carefulness

Incinerator is of No Value Unless It is Used by Owner

Two fire calls last Monday gave the Volunteer Firemen their first taste of real fire-fighting in a long time. The calls came at 9:22 and 9:30, and were the results of rubbish fires, though the city ordinances say that such fires must be out by 9 o'clock.

The fires were extinguished before they had gained much headway and no damage was done. However, Chief W. D. Richards states that in one instance a disastrous fire was narrowly averted.

In one instance a violation of the city ordinances was observed in the fact that there was no incinerator on the lot. In the other instance there was an incinerator, but the rubbish fire was started adjacent to it. At this season of the year the officials in the fire and police departments are inclined to be more lenient with offenders than they will be later on, when the hazard is greater.

Chief Richards announces that the fire breaks in the mountains above will be cleared at once, at county expense. A call is made for fifteen men to start work Monday morning. Applicants for places on the crew will report to Mr. Richards or Mr. Carpenter at the city hall before Monday morning at 8 o'clock. The workmen will take their own lunches, and pay transportation one way.

Mrs. Wammack to Sail for Borneo To Join Husband

Mrs. Leonard Wammack, 258 East Central, will leave June 10 for the island of Borneo, where her husband is located at Mirri, Sarawak, engaged in the oil business. He left here last September after having been a resident of Sierra Madre for seven years.

Mrs. Wammack, who is the daughter of Mr. and Mrs. Dorothy B. Polue of 272 West Grand View, will sail on the President Johnson, which leaves Wilmington dock at 12 o'clock noon. The trip will require 45 days, including stop-overs at San Francisco, Honolulu, Japanese and Chinese ports, as well as Manila and Singapore.

Miss Elizabeth Steinberger, Mrs. Mary Wheeler and Mrs. Lela B. Kendall attended the luncheon given at the Biltmore May 11th, in honor of H. S. Upjohn, the newly appointed county superintendent of schools.

New Spanish Bungalow of Mr. and Mrs. Heylek to Be Shown

The Contractors and Supply Firms Contribute Their Best

Preparations are practically complete for the opening for public inspection of the beautiful new home of Mr. and Mrs. Paul Heylek at 366 North Grove Street. The dates set are next Tuesday, Wednesday and Thursday, May 21, 22 and 23, from 9 o'clock in the morning until 9 o'clock in the evening.

This handsome residence adjoins the old home of Mr. and Mrs. Heylek at 352 North Grove, where the family has lived for the past seven years. It is the Spanish bungalow type of architecture, and while it is not a large estate home, still it is the sort of home in which the average housewife would find her dreams fulfilled.

The home was designed and built by George A. Moran, young Sierra Madre building contractor, who shows great promise along this line. Mr. and Mrs. Heylek had been planning such a home for a long time and had made a thorough study of residences by visiting model homes and observing all the latest ideas combining comfort and artistic taste. All the rooms are spacious and on one floor, with additional space provided for an upstairs if ever there should be need for more room.

There is an elegant living room, a dining room, three bedrooms, kitchen, breakfast room, two bath rooms, basement, laundry room and a double garage. The picture which appears on another page of this issue shows the attractive exterior, but only a trip of inspection can reveal the handsome interior and exceptional taste and convenience of interior arrangement. Such a home is indeed a credit to Sierra Madre, and is an indication of the type of homes of which many will be constructed in the near future.

The extensive electrical wiring and elaborate fixtures were furnished by Claude Vedder, local electrician. Lumber, cement and plaster came from the Sierra Madre Lumber Company. Sash, doors and millwork were supplied by the Sierra Madre Cabinet Works. Plumbing and water heaters were put in by the Plumbing Service and Supply Co., of which G. E. Babbitt and Son are proprietors. The gas refrigeration plant and gas range came from the Southern Counties Gas Co. Building hardware and F. P. Fuller paints were supplied by the Wheeling Hardware Co. The artistic draperies were furnished complete by the F. P. Collins Drapery Co. of Pasadena, while the gas furnace and sheet metal works were supplied by the Pasadena Heating and Metal Works.

The landscaping and extensive watering system was done by Brown's Landscaping, a Sierra Madre concern; and the photo for the cut on another page was made by Lindley Eddy, local photographer.

Friendship Club Plans to Decorate Graves of Unknown

The Friendship Club of the Congregational Church had a very enjoyable social evening Monday night. After a short business session, the remainder of the evening was spent with games and contests. Mrs. C. L. Twycross and Mrs. C. L. Tartar acted as hostesses for the evening.

Plans were made for a picnic in June. The club also plans to decorate the graves of unknowns in the Sierra Madre cemetery for Decoration Day. Those having flowers to donate will kindly call Mrs. Hibbs or Mrs. Hawkins.

Civic League Meet Draws Packed Hall

(Continued from Page One)

including the higher-ups even to the presidential cabinet members, to honestly uphold their responsibility, as the cause for legislation which initiated the referendum and recall laws, but deplored the widespread manner in which this privilege has been abused, particularly in this state.

The recall law as it exists today, Mr. Parsons stated, is a blow at the constitutional rights of any man for a trial by jury. It requires 51 per cent of the voters to elect a man to office, he said, but a mere 25 per cent may petition for a recall. In most cases where recalls have been precipitated in surrounding cities, the elections have failed, he declared, but it takes fully five years of tremendously hard work to offset the harm that is done to a community where such action has been taken.

There is now a bill before the state legislature to amend the recall law, Mr. Parsons said, whereby those instigating the recall must file public notice of intention, to be printed in the newspapers, and the officials at whom the recall is directed may have an opportunity to answer and defend themselves in the same manner. Furthermore this proposed amendment would require that the petitioners signatures be obtained and filed within sixty days of the announced intention notice.

Henry Gierlich, member of the firm of engineers in charge of the Sierra Madre improvement project, presented the figures concerning the proposed improvement of Central Avenue.

After outlining the scope of the entire project, which contemplates a permanently improved highway from Colorado Street, Pasadena, to Santa Anita Avenue, Arcadia, following the course of Sierra Madre Avenue, Pasadena, Sierra Madre, Villa and Central Avenues, Mr. Gierlich dealt with the specific costs of that part of the improvement which lies within the limits of Sierra Madre.

Estimates offered were based on a division of the project, one portion contemplating the improvement of Central Avenue west of Baldwin Avenue at its present width of 80 feet; the other portion the widening and improvement of Central Avenue east of Baldwin Avenue, either with a 65-foot right of way or an 80-foot right of way.

He stated that the improvement west of Baldwin Avenue would cost \$98,080. With a 65-foot right of way the improvement east of Baldwin Avenue would cost \$94,365, plus an acquisition cost of \$23,080.15, a total of \$117,445.15. With an 80-foot right-of-way, the improvement east of Baldwin would cost \$118,681, plus an acquisition cost of \$39,096.50, a total cost of \$157,777.50.

Taking the project as a whole, said Mr. Gierlich, the cost of the entire improvement of Central Avenue with a 65-foot right of way east of Baldwin would be \$215,525.15, and with an 80-foot right of way east of Baldwin \$259,857.50. Mr. Gierlich stated that it is estimated that the county will pay \$33,880 of the cost of either improvement.

This would make the net cost of the 65-foot plan \$181,645.15, and for the 80-foot project, \$221,977.50, to the City of Sierra Madre. In each case, the frontage on Central Avenue would be charged \$69,661, and the balance would be charged to the property owners of the entire city as a general assessment district.

As this plan works out, Mr. Gierlich said, the assessment would amount to \$4.785 per \$100 of the assessed land valuation of each property owner in the general district on the 65-foot plan, and \$6.488 per \$100 of assessed land valuation for the 80-foot plan. He cited a number of specific instances, selected at random from various parts of the city, showing that the assessment against a lot valued at \$400 with range from \$19.14 for the narrower width street to \$25.95 for the 80-foot, and against a lot valued at \$1800 the assessment would range from \$86.13 to \$116.78. These assessments are to be payable in 23 years, he said.

He also cited instances of frontage owners on East Central Avenue which showed that, due to deductions for property acquired on the frontage for the street improvement, the 80-foot plan was considerably less in actual financial outlay than the 65-foot plan.

Pritchard Will Be Voting Delegate National Council

Rev. A. O. Pritchard, pastor of the Congregational Church will be one of the 660 voting delegates at the biennial meeting of the National Council of the Congregational Churches to be held in Detroit, Mich., May 28 to June 4, 1929. The delegates are elected by the district associations and state conferences of the churches in all states of the union and in Alaska, Hawaii and Porto Rico.

Encouraging growth of churches and their work during the two years since the previous meeting of the National Council at Omaha, 1927, is shown in the "Grey Book" so called from the color of its cover, which has been mailed to the delegates. "The Grey Book" is a publication of 163 pages and contains the major reports which will be the basis of the business transacted at Detroit.

Gains are recorded in the number of church members, the number of ministers, the number of young people's societies and members of these societies, the amount raised for local church expenses, the average pay of pastors, the value of church property, the total income of the missionary societies, the amount of invested funds held by the churches and in the number of churches with large memberships.

Players to Appear In Eagle Rock

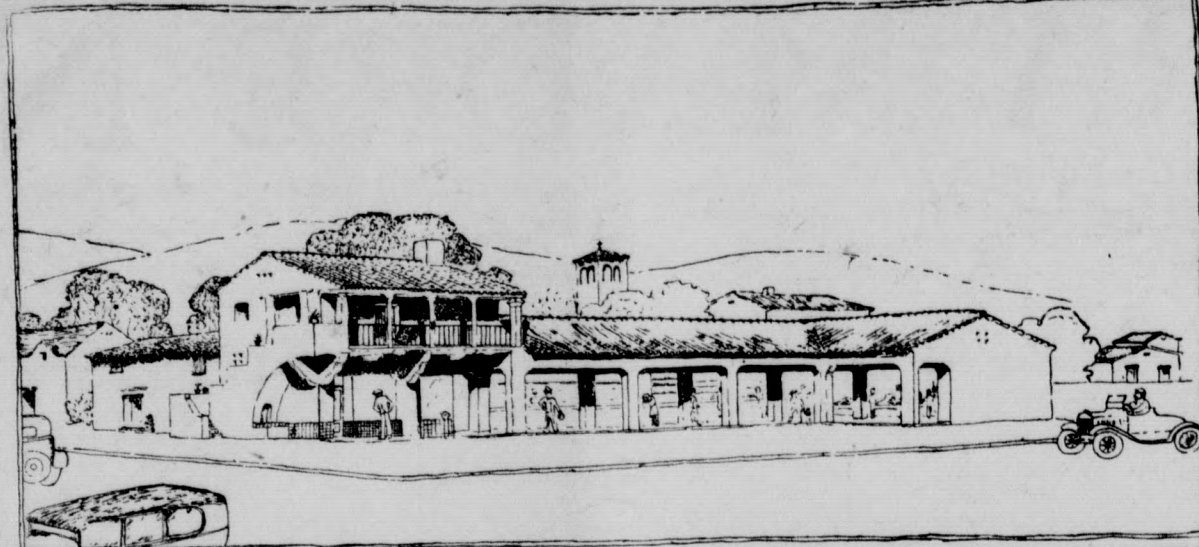

The Community Players have been asked to present the prize-winning playlet, "The Workhouse Ward," at Eagle Rock, tonight, May 17, for the benefit of the Boy Scout troops of that city.

This is an appreciated recognition of the excellence of the production staged at Santa Ana recently, in which Mr. and Mrs. James Hawks and Dave Buchanan took part, and won second prize. The Community Players now have a "Workshop" in which most of their work will be done in future. The board of trustees of the Congregational church have allowed the local organization to use the old building, and all meeting will be held there in future. One-act plays will be staged there for entertainment of members, and much of the ground-work for all productions will be worked out here. It is the plan to give all major presentations in quarters that will be better adapted to such offerings.

Much work is planned for the summer months, with new plays constantly in the making. And it is the plan of Mrs. Steinberger to offer, late this summer, a musical play which has already been selected, and announcement of which will be made soon.

Mrs. Mary Darling of Pasadena, formerly of Philadelphia, visited Mr. Twycross Tuesday. She was a friend of Mr. Twycross' sister in Maine. He showed her about the city and she was so impressed by its beauty that she may make Sierra Madre her future home.

Mr. Gierlich announced that a member of his organization would be at the city hall for the remainder of the week to give any information on the project desired by individual citizens who wished to consult him.

Las Tiendas Is Built By Brockways

Is of the Spanish Type So Popular in Southern California

Motorists along Huntington Drive recently have been interested in the new building of Spanish type which bears the name "Las Tiendas de San Marino." The beautiful structure is of Spanish type, and will be operated as a drive-in market, "five stores under one roof." Hillcrest Dairy Products, New England Bakery, Asari fruits and vegetables, Albert's grocery and delicatessen and Brash's meat and poultry market.

The opening of the market is set for Saturday, May 18, and special features will be Jose Arias and his Spanish Troubadors in costume. An Edison electric radio and phonograph, furnished by the Radio Shop of Sierra Madre will also be featured.

Handsome announcements of the opening were printed in the News office for distribution in the neighborhood of the market.

The building is owned by G. M. Brockway of Phoenix, M. F. Brockway and Merrill Wood of Sierra Madre. The Brockways own the beautiful Brockway court on Central and Grove and the new building is in keeping with the precedent established in the construction and design of the local development.

Donates Captured Parrot To Park at San Diego

Frank L. Lovell, one of the local firemen, has just received a letter from Balboa Park of San Diego thanking him for a Panama yellowhead parrot which Mr. Lovell caught last year and turned over to the above park authorities last Sunday.

Legion Outlines Memorial Day Service Plans

The program for Decoration Day, under auspices of the local post, American Legion, will be printed in full in the next issue of the News. It will consist of decoration of graves by the Legion and Auxiliary members, at the cemetery, followed by exercises at the City Park in which the school children will also participate.

Transportation will be furnished to all Civil War veterans or any disabled soldier of any war who is unable to attend but would go if he had means of getting to the exercises, either at the cemetery or at the park. Anyone wishing transportation kindly phone to Comrade H. C. Reavis, Main 110.

It is urged that all citizens, especially veterans, plan ahead to give at least part of Decoration Day to the fulfillment of the purpose for which that day was set apart, that is: to honor the dead who have served in the armed forces of the United States in time of war.

MRS. BUIE ENTERTAINS EASTERN STARS

The Eastern Star Club was entertained Monday afternoon by Mrs. Blanche Buie at her home on East Highland Avenue. Most of the afternoon was spent in sewing on the table cloths for the Masonic Temple. Refreshments were served at attractively decorated tables, the pink and white motif being used. The attendance was the largest of any meeting of the club this year.

Local People Attend Conference at Pasadena

Rev. A. O. Pritchard of the Sierra Madre Congregational Church, presided Tuesday afternoon as Moderator of the meeting of the Los Angeles Association at the general conference of the Congregational Churches of Southern California, held in Pasadena the first three days of this week.

Local delegates were Mrs. R. J. Lord, George B. Morgridge and C. W. Jones, and Rev. Pritchard. Others present from Sierra Madre were Mrs. Fred Staff, Mrs. W. S. Hull, Mrs. J. M. Campbell, Mrs. A. O. Pritchard, Mrs. A. J. Rust and her sister, Mrs. Hyde.

FINANCIAL STATEMENT FOR 1929 FETE

The following statement is authorized by the Sierra Madre Woman's Club regarding the financial outcome of the Wistaria Fete this year:

Gross receipts	\$14,500.97
Total expense	12,398.58
Net proceeds	2,102.39

SID GRAUMAN'S PROLOGUE

An Open Letter to the Voters of Sierra Madra

To the Citizens of Sierra Madre:

"This is the forest primeval." Surely, no, but with apologies to that great New England bard whose immortal work lives in the memory of every lover of the beautiful.

"Primeval." Well we might change the spelling a trifle and illustrate just what I am driving at. The Prime-Evil. What it is? Lack of vision? Personal grudge? There are a host of other motives, that might cause people to band themselves together for the defeat of progress, but in the end it dwindles down to just one or two things. Let us hope for the civic good, that it is not personal grudge, and deal only with the lack of vision.

Since our city was incorporated there have been men who very valiantly offered themselves for public service. For these men, I have the most profound respect. They, on their part, executed the will of the people to the best of their ability. They displayed the courage and conviction of men, typical of those who give for the good of all and seek no return. The type of men has not changed in this respect but the methods have changed. The old order of things remains no longer.

About nine or ten years ago the world swung into a new stride, a rapid, steady march toward a new era. The radio, aviation, lighter-than-aircraft, all made gigantic steps forward. Scientific and inventive genius sprang up on every hand. Men began to do unheard-of things. There it is now: "Unheard-of things." Did lack of vision surmount such obstacles?

You, Mr. and Mrs. Taxpayer, are fortunate at the present time, to have men on the city council with just such power of vision, for which you can be justly proud, and thankful. They are men who are retired from active business enterprise, self-established men, that any American city would be proud to have in an advisory capacity. Successful beyond the usual peak of expectancy in their own affairs of business, they now devote their untiring efforts toward the betterment and advancement of our civic needs, with the paramount ideal of a bigger, more progressive Sierra Madre.

We need these sturdy men of vision to lead us to the top of the hill, up and over the rocky road of progress to the goal of happiness and contentment, at the top. When we look back, let us feel that we have been a building unit, an integral worknig part, in the great machinery of progress.

Let not the fair city of Sierra Madre be accused of lack of vision. To remove these leaders would be a retrogressive step, a smirch on the record of a progressive Sierra Madre. They need your co-operation. You, Mr. and Mrs. Taxpayer, not alone your vote, but your intelligent, hearty co-operation.

ARCHIE L. FIETZ.

TIME RIPE FOR BALDWIN OPENING

THE granting of rights of way through the Baldwin ranch by Mrs. Anita Baldwin may carry far more significance to this city than appears on the surface of the report emanating from our neighboring community, Arcadia.

Mrs. Baldwin agrees to deed 44 acres of land for road purposes, and will pay about \$60,000 in cash for road building. From this it is deducted that Mrs. Baldwin believes the time is now opportune to begin development of her vast holdings in this community for residential purposes. Sierra Madre would benefit greatly if such development were put under way, not only by the building up of the Baldwin property, but by its effect on the Hastings ranch and the Oakwood estate. It would undoubtedly give Sierra Madre standing as one of the most desirable home-site cities in the Southland.

Another angle is the possibility of securing favorable action on the proposed opening of Baldwin Avenue, through the Baldwin estate south of the Foothill Boulevard, and then on to Long Beach.

Many believe this project to be of vital importance to Sierra Madre. It is pointed out that a direct outlet from the manufacturing district now being rapidly developed in East Los Angeles would make Sierra Madre a logical home city for factory executives who desire foothill homes, but who would find it impossible to buck traffic through Los Angeles to reach Beverley Hills or Hollywood.

Perhaps when the war clouds have blown over in Sierra Madre, a united effort can be organized to put through this very much-to-be-desired artery. The time seems ripe.

REAL ESTATE TRANSFERS ACTIVE

THAT Sierra Madre enjoyed a fairly active April in real estate transfers is shown on the map and report prepared by the California Title Insurance Company and sent out the latter part of last week. While April as a whole showed less activity than March, still the transfers last month in a number of cities showed a "striking increase" over the average of the other three preceding months of 1929.

Almost the entire foothill country showed more than the average increase in real estate transfers, San Fernando, Tujunga, Monrovia and Claremont being classed as "very active," while Pasadena, South Pasadena, Arcadia, San Marino and Sierra Madre were "fairly active." Azusa and San Dimas were the only two places listed as "quiet" in this upland district.

SAFETY FACTOR IS STRESSED

THE most important trend in automobile design today is safety, from the body itself to the smallest parts. The 1930 cars feature fuller vision, all-steel bodies, non-shatterable glass, ball bearing spring shackles, easier steering, centralization of light controls on steering wheel, four-speed transmission and bright colors.

One of the largest manufacturers has announced results of tests conducted at night as to the visibility of cars painted in various colors and of pedestrians dressed in clothing of different colors. Brilliant hues and light-colored clothing are visible for a much greater distance than somber colors. While the manufacturer will use bright colors on his cars, he doubts whether pedestrians will wear white at night on highways although it would be a great accident preventative.

Already six million of our twenty-five million cars are equipped with all-steel bodies as a safety factor. An increasing number of the new models have adopted this construction as well as installing glass which will not shatter or splinter in accidents.

Ball-bearing spring shackles which re-

quire no lubrication or attention and improve the riding qualities and control of cars on rough or slippery roads, are the newest development to be adopted by some of the most important car makers; by making a car easy to handle another safety factor is added.

Having light controls on the steering wheel instead of groping for them on the dash when passing, is an important safety factor. Four forward speeds which are being adopted by an increasing number of manufacturers, is a further valuable contribution to safety because of more flexible control of the car's momentum.

ANYTHING MAY BE EXPECTED

(The Hemet News)

SOME wise man, a few years ago declared: "A fellow who says a thing can not be done frequently has to step lively to get out of the way of the one who is doing it." With this in mind it is wise not to make light of the prediction that power from a radio station will soon be transferred to automobiles. In other words, without fuel, the ordinary gas chariot will be tuned in with a central station by twisting the dials, and power thus obtained will send us merrily on our way.

The idea is advanced, not by a crank or visionary, but by no less authority than G. M. Williams, president of the Marmon company, who declares that such a plan is receiving serious consideration by leading automotive engineers.

According to this plan, each car would have a certain receiving wave-length, and by throwing the switch a generator of corresponding wave-length in the central station would supply the power. Many cars might have the same wave-length, so long as the total load could be carried by the corresponding generator.

This paper does not vouch for the practicability of this suggestion, but only passes it on as an indication of what may happen. In any event it illustrates the daring conception of the modern engineer. And who can say that the idea may not some day be made to work?

SUCCESS AND THE SMALL TOWN

(Upland News)

OUR faith in the small city or town as a place to live and to prepare for success in life was again confirmed this week in reading about a big community banquet at Charlotte, Michigan, a city of about 6,000 people, where the principal speaker was a man who had gone from the town and become a great business success.

The tribute this man paid to his old home town that gave him his start was remarkable. He told of the influences of the home, the church, the Sunday school, and the public schools. Each left an impress, he said, that had made possible his career. He said that he "never had to learn a new principle of life outside of Eaton county." In other words, the training of the small community fits you for life everywhere and very often for the highest success in the big cities. We often hear people belittle the small towns and cities, just as though really worth-while things had to be big and noisy. Be thankful you and your children live in a small community where the real virtues of life can be developed as nowhere else in the world. The world of success has always taken off its hat to the small town and it always will. The small town delivers the goods.

"I never left a job but that I could go back and go to work—if there was work to be done," said a young man recently, and the remark offered a pretty fair indication of his character. Many a man who, upon leaving his home town, is given a public banquet and reception to speed him on his way, could return a few months later, when word of his deeds and misdeeds had been "cussed and discussed" and fail to find a friend in a day's search. The best way to live is to let your life be an open book; then you can meet your friends face to face and have no reflexes with your conscience.

It begins to look as if a fortune awaits the man who invents a non-leakable trunk for congressmen.—Dallas News.

Americans have become so extravagant that it is now almost as hard to live within an income as without one.—The Louisville Times.

A human being has thirty-two permanent teeth, unless he or she decides to cure the neuritis on expert medical advice.—Ohio State Journal.

Secretary Mellon says that the 'I'm Alone' was sunk under the Tariff Act. The ultimate consumer will know how she felt.—The New Yorker.

Reservations

By J. R. E.

"Does Crime Pay?"—Newspaper headline. Huh! Did you ever hear of a criminal lawyer going to the poorhouse?

A new men's unionsuit has been named the "Vassar." The crowning insult. They might at least have called it the U.C.L.A.

A cigaret ad shows a group of college studes, standing in front of a row of trophies, smoking—and judging—cigarettes. The ad fails to state that the cups were won by the "judges," however.

And a cigaret "contest" was recently conducted by a college paper. Who says higher education is a failure?

One does not hear much these days about the "Smith Republicans."

But who ever heard of a "Hoover Democrat" who failed to take advantage of an opportunity to say, "I told you so?"

Golf pants for men and long pants for Johnny were probably originated by a chap whose ma cut down pa's old pants to make him a Sunday suit.

Mrs. Gann and Alice Longworth have buried the hatchet, Jack Dempsey and Joe Benjamin have made up. Now who is the brave man to carry a peace pipe to a joint meeting of the Central Avenue Property Owners' Association and the Progressive Civic League?

A business journal says there is "a fair demand in Mexico for leather traveling bags and cases." Yeah! And coffins.

MODERN FABLE

There was once a man who went on a "free" sightseeing trip and after he had said "No, I don't want to buy!" two hundred and thirty-six times, the "conductors" of the tour ceased trying to sell him a lot.

Communications

May 14, 1929.

Editor, Sierra Madre News:
My sympathy goes out to your correspondent of last week who signs himself "A Disappointed Ohioan," in his "wail" regarding being kept awake by crowing roosters. Say, Mr. Ohioan, you are lucky if you have only roosters to annoy you. Just come up and live in this part of this burg and you would have some reason to howl. We not only have something less than a million roosters, but practically every family in a radius of two blocks has a miserable cur dog of the "cross between a yellow dog and a window sash" variety. No earthly good but to howl, not enough real blooded dog in the whole rotten bunch to make even one two-pound puppy of decent breeding.

Yet we have to put up with it for it is "lawful" to keep them.

And then you, Mr. Editor, ask in a recent editorial "What's the matter with Sierra Madre?" Say, you must be an awful kiddie, or deaf and blind.

F. M. Scott.

625 West Grand View.

This has been a bad year for most night clubs, we are told. It seems there aren't enough dry agents to fill more than two or three of them.—New York Post.

At a dollar a word, "I do not choose to run" amounts to only \$6, but it gave him a chance to earn about \$5,000 explaining what he meant by it.—Southern Lumberman.

Opportunity knocks but once. That's wherein it differs from Mr. H. L. Mencken.—Nashville Southern Lumberman.

Advertising Put Business Houses Over

Expert Presents Figures to Show Why Advertising Pays

Some of the remarkable accomplishments of advertising, how it travels the highways and byways of life, reaches into the home, shapes destinies and makes life more livable, provided the subject for discussion at the luncheon of the Advertising Club in Los Angeles Tuesday.

Harry C. Drum, vice-president of Smith & Ferris advertising agency and director of national advertising for the Samson Tire company, was the speaker of the day. Drum was armed with facts and figures. He quoted statistics to show that advertising not only has rejuvenated worn-out business and put it on its feet again, but it also has launched business in a new field, found new uses for well-known commodities and has done other things to warrant its being designated as one of the greatest forces in the world today.

He noted from statistics on income tax returns that almost one-half the firms were operating at a deficit. Most of these were non-advertisers. About 100,000 firms were making a profit of only \$95 per year. There were 200 of the largest firms in the country each making a profit of about \$15,000,000 per year. The latter were all advertisers.

"Advertising runs through the whole fabric of business," said Mr. Drum. "It begins even before the manufacturing begins. The prosperity of the nation is wrapped up in advertising."

In Southern California the effects of good national advertising is reflected in the prices being received by the growers for citrus fruits. It was not so many years ago, said Mr. Drum, that the grower was getting 10 cents for a seventy-pound box of oranges. Today he is getting around \$2 a box. The earnings of the walnut grower have been increased threefold by advertising.

Chief Cox Popular With Pupils at the City School

Chief of Police George Cox is extremely popular among the pupils of the grammar school and usually wears a bright flower in his coat lapel, the gift of one of his little friends. Chief Cox is on duty daily during the recess hours to see that wild-eyed motorists take no liberties with the little folks.

The attempt to take care of the traffic conditions at the school with student "traffic cops" proved rather unsuccessful owing to the fact that no boys large enough to "put over" the job could be found among the students.

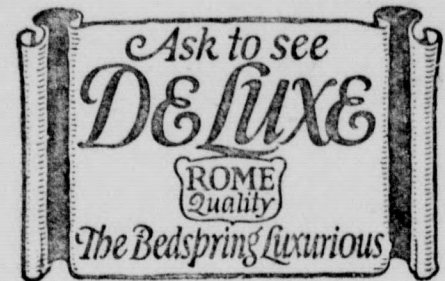

Lucky old boys! They did their kissing when a girl didn't taste of anything but girl. — Kingston Whig.

Interesting News Notes Gathered from Here and There

The sarame probably gets its name from the island of Sardinia, in the Mediterranean sea, where the man picnards used for canning abound.

Citizens of Claremont are hopeful of securing an airport in the near future. Dean Banks of Pasadena and Jack Cowan are said to be planning to secure a site close to Claremont and use it as a base for operation of passenger planes.

The Missouri State Society of Southern California announces a picnic reunion for former Missourians all day, Saturday, May 25, at Bixby Park, Long Beach. The usual county registers will be opened. A fine program will follow the basket dinner hour.

The Foothill Boulevard in Monrovia is now paved and open for traffic, after having been closed for several weeks past. The new pavement is a great improvement over the former narrow, "corduroy" road which formerly carried traffic to and through Monrovia.

Upland base ball fans are going to enjoy twilight ball this year. The light poles for floodlights, the backstop and grandstand are now being installed and grading and leveling of the lot has been completed. Upland will be a member of a four-team league.

The New England Society announces a great picnic reunion of all former New Englanders all day, Thursday, May 30, Decoration Day, at Sycamore Grove, Los Angeles. An appropriate program of song and oratory will be presented at 2 o'clock. Community singing will include patriotic and old time songs.

Twenty delegates, representing practically every club, church and organization in Glendora, met together in that city for the purpose of "originating ideas for betterment of civic government." The organization of such a body was first suggested by the Glendora chamber of commerce and met with cordial reception.

Three different organizations in Upland joined with the chamber of commerce of that city Wednesday and put over a membership campaign for the leading civic organization of the town. The goal was 500 members, and the American Legion, Lions Club and the 20-30 Club shared in the hard

work incident to the drive.

The first forest fire of the season occurred last week in the region between Cucamonga Canyon and Lytle Creek. Fire fighters were rushed into the area by the San Bernardino office of the Angeles National Forest, and the blaze was soon placed under control. The opening of the fishing season caused special warnings to be issued by the department.

Completion of twenty illuminated floats for the million-dollar motion picture electrical pageant which will climax the Shrine convention in the Coliseum June 6, is announced at Shrine headquarters. Twenty additional floats are now under construction at various studios and the entire fleet will be ready by June 1, according to Frank N. Murphy, supervisor of the parade.

In an experiment made by the American Motorists' Association, it was found that approximately every seventh time a one-dollar bill changes hands it finds its way back to an oil station. Compared with the daily turn-over of every dollar in this country this is a small item. A treasury statistician has stated that the daily turn-over of all our money is 99 times. In other words we do 99 times more business per day than there is money in circulation.

The "Aviators Post" of the American Legion has been formed after several preliminary meetings. This gives Los Angeles the distinction of having the only post in California which may use this name. It is the second of this name in America, the first being in New York. Meetings are held every Friday night at 8 p. m. in Patriotic Hall. Anyone is eligible to join who was a pilot or observer in airplanes or balloons during the war, or who has since obtained a department of commerce rating as pilot.

DAUGHTERS SPEND DAY WITH MOTHER

Mrs. John Lowe of 58 East Carter had as her guests over the week-end her daughter, Mrs. Drury V. Haight of Klamath Falls, Oregon. Mrs. Haight was on her way to St. Paul, Minn., where she goes as a delegate to the Presbyterian Conference. Two other daughters, Mrs. Charles E. Anderson of Pasadena, and Mrs. L. E. Darrow of South Pasadena, spent Sunday with Mrs. Lowe, thus celebrating Mothers' Day with a real family reunion.

The Barker At Theatre In Monrovia

Week's Bills Give Promise of Much High-Power Entertainment

"The Barker" with Milton Sills, Dorothy Mackaill and Betty Compson, holds the boards at the Lyric theatre Monrovia, Sunday and Monday, May 19 and 20. The show, fresh from its appearances in Los Angeles, is sure to attract capacity houses during its run in the popular Monrovia theatre. It is the story of the typical American street carnival, as it ran in the "old days." And times have not changed greatly at that, for the "racket" is still being played by a few traveling organizations, at pleasure parks and beach resorts.

Fannie Brice, one of the most magnetic personalities of the stage, is star of the pretentious special production which comes Tuesday, Wednesday and Thursday, May 21, 22 and 23, under the title of "My Man." It is one of the most important Warner Bros. productions of the year.

Being married three times does not take the stage fright out of either a bride or a groom. This statement is attested to by both Charles Rogers and Nancy Carroll, who are playing the roles of Abie and his Rosemary in the Paramount production of "Abie's Irish Rose," showing at the Lyric Friday and Saturday, May 24 and 25. During the action, Rogers and Miss Carroll are wedded thrice.

Do you need engraved cards or stationery? The News Office has specimens of the latest type faces and cards.

'Keep a Clear Head'—free from Sinus and Ear Trouble; Flu or Catarrh

At the slightest sign of a Cold, use

NOK-I-TER

NOK-I-TER clears the head and throat;—opens the nasal passages;—permits free breathing;—soothes the irritated membrane. Write for our free booklet, entitled "Keep a Clear Head." Nokiter Pharmacal Co. Dept. Pasadena, Calif.

Rules for the Medicine Cabinet

Clara Noyes outlines nine rules to be observed by nurses in the administration of medicine. They are of equal importance to mothers who take care of their children in time of sickness and should be thoroughly understood in every household. They are as follows:

1. Never give medicine in the dark. Read the label three times—before taking the bottle off the shelf, before pouring and after pouring.
2. Snake any liquid medicine.
3. Turn the label up when pouring. This keeps it clean.
4. Think of what you are doing. Never speak or listen to any one when you are measuring medicine.
5. Give just the amount ordered—not a drop more or less. While pouring hold the medicine glass with the mark of the right amount level with the eye.
6. Cork the bottle at once. Some medicines get stronger, others weaker, when left uncorked.
7. Read the label the third time.
8. Give the dose.
9. After a dose of unpleasant medicine give water, a cracker or a peppermint.

What are the ten words most commonly misspelled in the English language? A survey of the orthography of university students just completed at the University of California at Los Angeles reveals a magic ten that seem most perverse in written composition, and the faculty declares that they are the words most frequently found misspelled by writers of all ages and classes. Here are the words that seem to

bother writers most, and that frequently appear incorrectly spelled in the work of even well educated adults: Separate, lose, ninety, privilege, villian, chautauqua, accomodate, all right, repetition and ecstasy.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.

No. 256171.
In the Superior Court of the State of California in and for the County of Los Angeles.

LOS ANGELES FIRST NATIONAL TRUST & SAVINGS BANK, etc., Plaintiff,

—vs—
LEWIS R. LA FONTESE, et al., Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 24th day of April, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against LEWIS R. LA FONTESE, Defendant, on the 22nd day of April, 1929, for the sum of Thirty-four Hundred and Sixty-four and 25/100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 24th day of April, 1929, entered and recorded in Judgment Book 710 at page 128 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot fifty-two (52), fifty-three (53), fifty-four (54), of Tract No. twenty-nine hundred twenty-seven (227), as per map recorded in Book 30, page 39 to 42 inclusive, of Maps, in the office of the County Recorder of said County.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 21st day of May, 1929, at 12 o'clock noon of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated April 24, 1929.

R. E. ALLEN,

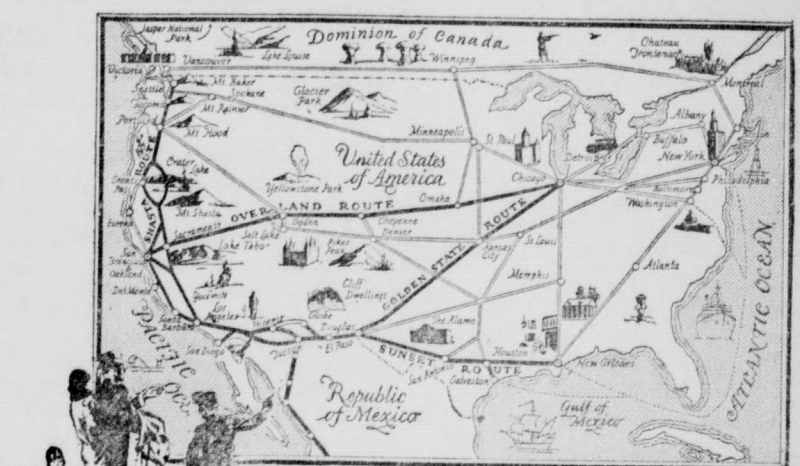

Commissioner appointed by said Superior Court.

To Protect Coast from Fruit Fly

Dreaded Parasite has Already Found a Foothold in Florida.

At a meeting called by C. C. Teague, chairman of the Agricultural committee of the California Development Association at Sacramento, Wednesday, May 8th, at which Dr. Geo. P. Clements, manager of the agricultural department of Los Angeles Chamber of Commerce, was present and to which Gov. Young of the state of California had invited the membership of the western plant quarantine board consisting of 11 coastal and intermountain states, to consider ways and means for the protection of the Pacific coast from the Mediterranean fruit fly which has found foot for the first time in the United States in the state of Florida, it was the sense of the meeting that nothing since the world war was of as serious significance to the nation as this implantation, and that Florida is in the same position as was Belgium, that all the states of the United States should center their strength and money in an endeavor to eradicate the pest in Florida in protection of themselves and the fruit and vegetable industry of the United States. Should this infestation become nationwide we would be in the same situation as the Hawaiian Islands which once was a great fruit and vegetable country, yet today is confined to bananas, pineapples and the production of sugar, their entire fruit industry being destroyed due to the implantation of this pest. An appeal is made to the general public that they assist in every way in prohibiting contraband fruits and vegetables coming into the state from the infected area.

If California will lend her aid and her money in the eradication of this pest in Florida it means the saving of a fruit and vegetable industry in California alone of above 250,000 carloads a year and a value of \$314,000,000 with an investment of \$1,350,000,000. It means saving to California her gardens, her fruits and all those things which have set her significantly above all other states as a desirable place to live.

U.S.C. FIELD SECRETARY VISITS OFFICE OF NEWS

Marc N. Goodnow, field secretary from the department of journalism of the University of Southern California, and also affiliated with the California Newspaper Publishers Association, visited the News office Monday morning. Mr. Goodnow is making a trip of inspection of the newspapers in the southern part of the state.

The government couldn't operate the Leviathan, the world's finest ship, and make expenses. So it sold the ship for an extremely low price and took over the job of making farming pay.—Topeka State Journal.

"You Press the Button, We Do the Rest"

THE ESTABLISHMENT OF A HEALTH HABIT

By Alice M. Deist, Health Habit Instructor, Los Angeles County Public Health Association.

The establishment of a health habit may be said to depend largely upon two very important factors, one, the ease with which the habit may be performed, and the other, the satisfaction which its practice brings to the performer. A child who is provided with a coat hanger that has been cut off to fit his clothing can practice the health habit of hanging up his coat with greater ease than can the child who struggles long to fit his coat onto a hanger which was intended to hold the coat of his six-foot daddy. Along with the greater ease which the small coat hanger makes possible may be added a feeling of pleasure and satisfaction if the same hanger is painted an attractive and favorite color. Then with a nail or a hook fastened to the wall at the proper height the child can naturally and happily practice this good habit.

If parents will consider these factors of ease and satisfaction when introducing some new health habit they will find that their children are more apt to respond happily to the new situation.

One may well ask, "What about a poor habit that has already been formed?"

It is generally conceded that the scolding and nagging of parents in such matters are frequently a waste of time and destructive to the nerves of the entire family. May it not be well to substitute a new good habit which can be practiced with ease and satisfaction for the old and bad habit, which can be practiced with ease and satisfaction for the old and bad habit and let it drop off from lack of use?

Fifteen summer health schools will open their eight weeks session in Los Angeles County July 1st, according to an official announcement given out by Anna E. Rude, M. D., summer health school director.

This is the fifth year that the

schools have been conducted under the joint auspices of the Los Angeles county health department and the tuberculosis committee of the Los Angeles county public health association. They are part of the extensive program of health education and child health conservation carried on in the county.

Intensive health training is given children who have been selected by the school nurse and child hygiene physician as being in need of physical rehabilitation for the coming school year. The age group is from 6 to 11 years and includes undernourished and generally physically below par children, also cardiac children and those who have recently recovered from severe illnesses.

No children that are actually ill are accepted in the summer health schools. All children are given a thorough physical examination which includes a chest examination and x-ray to check on accuracy of diagnosis. Preference will be given to children who have not attended summer health schools before and to those who have had defects as pointed out in the preliminary physical examination corrected.

The summer health school will again be conducted in Sierra Madre, largely through the efforts of the P.T.A., which has worked indefatigably to promote the success of similar schools held in the past few years.

NOMINEES FOR PUBLIC OFFICE.

NOTICE IS HEREBY GIVEN that the following persons have been nominated for the offices hereinafter mentioned to be filed at a special municipal election to be held in the City of Sierra Madre on Saturday, May 25th, 1929.

For members of the Board of Trustees, also known as the City Council, (for the unexpired term of Henry Isaacs and-or Joseph Belohlavek, provided the recall for said member or members is carried.)

RALPH W. STEWART, HENRY CLAY REAVIS.

The following propositions will be submitted at said election:

1. Shall Henry Isaacs be recalled from the office of City Councilman and member of the Board of Trustees of the City of Sierra Madre?
2. Shall Joseph Belohlavek be recalled from the office of City Councilman and member of the Board of Trustees of the City of Sierra Madre?

Dated May 8th, 1929.

ANNOUNCING

The New UNION PACIFIC EAST LOS ANGELES PASSENGER STATION

EFFECTIVE Wednesday, May 15th, the new Union Pacific East Los Angeles Passenger Station will be in operation and at the service of the public. This new Passenger Station is located at the intersection of three major thoroughfares, Atlantic Avenue, Telegraph Road and Goodrich Boulevard. It will not only serve the city of Los Angeles with new and convenient passenger station facilities but will also effect a considerable saving in time between all points to the north, east and south of Los Angeles, to and from the East.

All through trains of the Union Pacific, both incoming and outbound, will stop at East Los Angeles Station. All trains to the East will leave the new station approximately 22 minutes later than from Central Station, Los Angeles, and incoming trains will arrive approximately 22 minutes earlier.

In addition to the saving in time, patrons may now avoid the congested downtown area. Unlimited free auto parking space has been provided at the new station. Beautifully designed in mission style, the new Passenger Station contains commodious waiting rooms, ticket offices, baggage department... every facility for complete service to the traveling public.

Above: Map showing location of new East Los Angeles Passenger Station and Auto-Parlor-Car routes. Below: One of the luxurious Auto-Parlor-Cars carry passengers to and from the new Station.

NEW UNION PACIFIC AUTO-PARLOR-CAR SERVICE

Effective with the opening of the East Los Angeles Station, the Union Pacific will operate large, luxuriously appointed Auto-Parlor Cars between that station and LONG BEACH, SAN PEDRO, ANAHEIM, FULLERTON, LA HABRA, WHITTIER, GLENDALE, PASADENA and intermediate points.

This new Auto-Parlor-Car service between the above points and the new station will effect a saving of an hour or more over former train schedules. Patrons may take buses at the centrally located Union Pacific City Ticker Offices in Long Beach, Pasadena and Glendale as well as at depots. This new bus service will connect with all incoming and outgoing trains in both directions.

The new Union Pacific Auto-Parlor-Cars are models of comfort, luxury and safety. They will be operated for through passengers only and without any fare in addition to the regular rail fare from above points. Baggage will be checked direct from point of departure.

Ask your nearest Union Pacific representative about this New, Better and Faster Service.

EXHIBIT IN GARDEN PLANNING WINS PRAISE—

An exhibit of home gardens done in miniature and to scale by five boys in the 6th grade of the Sierra Madre schools is considered so well done that it will be placed upon exhibition the first week in June at Laurel Center, the agriculture center of the Los Angeles school system.

The problem consisted in the placing of a house, garage, formal garden, rock garden and pool on a plot 70 feet by 180 feet, to be drawn to 1/8-inch scale. It was interesting to note the five different, yet pleasing interpretations of the problem by Frank Staples, Hugh Elkins, Bobby Leonard, Carlos Hauffen and Soso Nomura. So realistically was the problem handled that one garage showed grease spots on the floor. A sycamore tree in one corner was painted white so it would show age. The shrubs were in pasteboard, the shrubbery of colored sponges.

WILL SPEND SUMMER IN THE EAST—

Mrs. Annie Rowley of 514 Ramona Street, mother of Mrs. Thomas Solury of the firm of Solury & Davies, grocers, with Mrs. Louise Coffey of Monrovia, are leaving on May 22 for Waterbury, Connecticut, and Mt. Kisco, N. Y., where they will spend the summer months, returning to their home in California late in the fall. Mrs. Rowley will visit with old acquaintances and at the home of her son during her stay in the east and expects to dispose of some property on Long Island while there, in order that she may make her permanent home in Sierra Madre.

Arthur Johnson III spent Saturday afternoon at Long Beach.

Mr. and Mrs. Vincent Fleming spent Sunday visiting friends at Huntington Park.

Mrs. John Colbert and Mrs. Lillian Wammock were Long Beach visitors Tuesday.

Mr. Markham, former owner of the Sierra Madre Cafe, was a visitor here over the week end.

Florence Lusted, art instructor, has been taking an intensive course in Home Garden Design from Mr. Nies of U.C.L.A.

Mr. and Mrs. S. S. Davis of Chicago were Sunday dinner guests of Mr. and Mrs. Rogers of 162 1/2 Santa Anita Court.

Mr. Seaman is recuperating at his home from his recent illness and will probably resume his duties at the store next Monday.

Mrs. A. M. Pillsbury entertained her daughter and son-in-law, Mr. and Mrs. G. W. Teavis of Huntington Park on Mothers' Day.

Mr. and Mrs. George E. Mesecar, accompanied by Mr. and Mrs. L. V. Helms motored Sunday to Forest Home in the Big Pine country.

Mrs. Amy B. Fraser enjoyed dinner Sunday with friends at San Pedro and later took a boat ride to Long Beach, viewing the warships enroute.

The loveliest face fails to charm if the figure is not beautiful.

Laura C. Hyde

Black 19 382 N. Auburn

Registered Spencer Corsetiere

Miss Ethel Tuggle will return home Sunday from her two weeks trip to the Yosemite, accompanied by Mrs. Tuggle's sister, Mrs. Williams, and husband, of Exeter, California.

Mr. and Mrs. Henry Olsen entertained at two tables of cards Wednesday evening, May 15th, to honor the birthday of Mr. Olsen's sister, Mrs. Mabel Medley, of Glendale.

Langley's Barber Shop has an attractive new fiber and tapestry, 3-piece set to more comfortably accommodate their patrons. The set was purchased from Tom Tyler of the Sierra Madre Furniture Company.

C. W. Harriman visited Mrs. Harriman Sunday, the latter being a patient in the San Bernardino Sanitarium.

Daniel Mallard of Windsor Lane has entered a hospital in Los Angeles and is undergoing treatment. He is reported to be recovering nicely.

Mr. and Mrs. T. W. Neale entertained Mrs. J. C. Richardson at their cottage at Corona del Mar near Balboa Beach, over the week end.

Hubert Aldridge is breaking in a new Pontiac car, in preparation for a proposed 5000-mile motor trip to Illinois, and back through Washington and Oregon.

Paul Rice is the new deliveryman for Solury and Davies, replacing Sid Davis, who has accepted a position in Los Angeles with a sign writing company.

A. N. Adams took a trip with his son, Roland Adams, to Oceanside over the week end. He was pleased to note the growth of San Clemente, San Juan, Capistrano and Oceanside.

Construction work on Norman Morrison's new garage building is progressing rapidly and "Norm" expects to be able to occupy it in less than two weeks. It will have a modern wash rack, auto accessories department and much new equipment in the machine shop.

Webster Vannier, son of Mrs. Marion Vannier of 153 South Hermosa, with his wife and son, Wilton W., are here from Berkeley to spend the summer. Mr. Vannier is taking a course in economics in the U. of C.

Mr. and Mrs. J. F. Sadler entertained at a bridge dinner Tuesday night in honor of their son, Stafford, who is entertaining a fraternity brother and his wife from O.A.C. of Corvallis, Oregon. Two tables of bridge were in play. Both young men belong to Delta Upsilon.

Mrs. J. W. Tyree, 140 South Hermosa, returned home Sunday after having spent a most enjoyable week visiting her son and his wife, Mr. and Mrs. R. E. Tyree of San Clemente. R. E. Tyree has charge of all the roofing for the numerous Spanish buildings being erected in San Clemente by the Ole Hanson Co.

Mr. and Mrs. Rudolph Hartman attended the merchandise demonstration day given by the Southern California Retail Drugists Association at 120 East 25th Street, Los Angeles, Tuesday, May 14, from 2 until 11 p. m. The slogan of the meeting was "Better Selling," emphasized by selling-education by moving pictures, by well known speakers and 120 drug merchandise displays. Entertainment, lunch and prizes were features.

Monrovia Hi to Present Cadman Opus June 11

The combined glee clubs of the Monrovia-Arcadia-Duarte high school at Monrovia will present Cadman's dramatic opera "Lelawala" or "The Maid of Niagara" June 11th at 8 p. m. The production will be given in the high school auditorium, under the direction of LeRoy Fager, director of vocal music.

The cast will include a mixed chorus of seventy-five voices, with eighteen main characters, and accompaniments will be rendered by a special orchestra selected from the high school symphony.

"Lelawala" is undoubtedly Mr. Cadman's finest operetta for high schools and is considered by many musicians to be the most pretentious and exacting of all high school operettas.

Direct Great Shrine Events

LeRoy M. Edwards, director general of the seven events to be held in the Coliseum, Los Angeles, during the fifty-fifth annual Shrine convention June 4, 5 and 6. Edwards reports the Coliseum more than half sold out.

An optimist is a congressman. A pessimist is a farmer.

Is there Something Missing in your home?

TODAY'S MODERN HOME is not complete without an electric refrigerator. Modern living demands it, just as it demands the electric range, vacuum

cleaner and radio. Like them it takes its place as a necessary household fixture because it lightens routine tasks, gives you more leisure and more time for the things you like to do.

The electric refrigerator serves you the year 'round with no more attention than the lamp on your library table. It permits the perfect preservation of food... makes

entertaining a never-ending delight. And, most important of all, it safeguards the health of your family.

There is a model to fit the requirements of your family. See it at the nearest Edison office. Then let us tell you how easy it is to own.

GEORGE BELSEY CO., Pasadena

THE HOUSE OF COLOR

can 75% of the citrus growers be wrong

in their choice of a marketing agency?

THIRTY-SIX years ago—in 1893—when the cooperative marketing principle was first introduced to the citrus industry, only one-fourth of the then small California crop was handled cooperatively.

When the California Fruit Growers Exchange was getting its start, growers said, "Show me. Before I join, you will have to prove that cooperation will increase my net returns."

Ten years later, more than half the citrus growers of the state were marketing through the Exchange.

Today, 75 per cent of the growers market through the Exchange. And the membership is steadily growing. Each year, the Exchange continues to serve a greater proportion of the California citrus growers—and to serve them more efficiently.

There isn't a chance that these 11,500 growers who have selected the Exchange can be wrong. They have tried other methods and compared results. There has been no guess work in their choice. Their allegiance to the Exchange and its methods is founded on that acid test laid down in 1893—the test of net returns.

Comparative figures prove that the

cost of all Exchange services, including advertising and other services not provided by other agencies, is less than the marketing cost alone of any other organization. And they prove, also, that the public and trade willingly pay a premium for the greater dependability, standardization and reputation of Exchange fruit.

These advantages, which Exchange members always enjoy, can be increased still more as the Exchange handles a greater proportion of the California crop. Larger membership means greater co-ordination of the state's crop shipments, less "outside" fruit to upset market plans, and further economies through spreading costs over larger volume.

For your own profit—and the whole industry's—join with the 11,500 growers of the Exchange, in the organization that has become the model for cooperative marketing systems throughout the world.

Talk to the manager of your nearest District Exchange or Exchange Association, or address Growers Service Bureau, California Fruit Growers Exchange, Box 530, Station "C," Los Angeles, California, for further information.

Local Pupils Take Part in Class Play

Sierra Madre Pupils Given
Prominent Parts in
Production

Matinee to Be Given May 28
and Evening Perform-
ance May 29

"Tell me what you wish most in the world, and you shall have your wish," said Queen Elizabeth of England to a small boy. This opportunity was given to Nick Atwood in the play chosen by the 10-2 graduating class of the Woodrow Wilson junior high school for their class production. They have chosen "Master Skylark," the famous old play, arranged for the stage by E. W. Burdill from Bennett's novel.

The story is of a small boy, Nick Atwood (Master Skylark), who is stolen from Stratford-on-Avon by Gaston Carew, a wandering actor who seeks revenge on the village bourgeois. It is being sponsored by Miss Evelyn Caldwell, dramatic instructor. The principal parts are played by the following: Master Skylark, Richard McMillan; Margaret Atwood, his mother, Lenore Pridham; Simon Atwood, his father, Edward Lowell; Cicely Carew, his little daughter, Myrtle Hillman; Master Wm. Shakespeare, Sydney Becker; Don Johnson, Linden Murray; Thomas Heywood, Sellwyn Myers; Queen Elizabeth, Pearl Specht; Choir Boy, Betty Van Houten; Carpenter, Phil Wheeler; Page, Thelma Thorston. The other members of the class take the parts of choir boys, courtiers, school boys, pages and actors in the court scenes.

The ushers will be dressed in the costumes of the period. The play is to be given in the McKinley high school auditorium the evening of May 29. A matinee performance will be given the afternoon of May 28.

Junior High Boys of Printing Class Visit News Plant

Nine boys, who are studying printing at the Woodrow Wilson Junior high school, accompanied by their instructor, Prof. H. J. Paul, visited the printing plant of The Sierra Madre News Tuesday afternoon and were treated to a thorough insight into the intricacies of getting out a weekly newspaper.

Two of the boys, Jack Brockway and Joseph Grippi, were from Sierra Madre. The other seven were: William Leicht, Nathan Henderson, Earl Lunstedt, Arthur Henry, Edward Sweeney, Gustav E. Jarecki and Edgar L. Hughes. Mr. Paul kindly stated this was one of the best equipped, ventilated and lighted weekly newspaper plants that he had ever visited.

Local Composer Honored at U.S.C. College of Music

Two of Oscar Rasbach's compositions, "Trees" and "The Wanderers' Song," were included in a program by Southern California composers given by the College of Music, University of Southern California, Wednesday evening of this week.

The former number was sung by the A Capella Chorus while the other was sung by Curtis Weber. Mr. Rasbach was a guest of honor and accompanied Mr. Curtis at the piano.

Watch Motorists To Guard Against Mountain Fires

The motoring public is to be watched with special vigilance in the mountain regions this summer, according to information received by Chief W. D. Richards of the Volunteer Firemen.

Many of the most serious forest fires are annually traced to carelessness on the part of motorists, and the guardians of the forests, the rangers, commend to the especial attention of all car drivers the following fire-prevention laws:

"In building camp-fires, clear a wide space in the timber, and make the fire in the center.

"Never leave a camp-fire unattended, and when breaking camp, be sure to first put out with water, then cover with earth.

"Always extinguish cigaret, cigar and pipe ashes. These are deadly sources of forest fires. Never throw them out of car while burning.

"Always put out matches before casting them aside. Do not fail in this."

Chief Richards asks every local resident to take particular pains to impress new-comers to California with the seriousness of forest fires, and pass on to them the information that is a part of the every-day education of native Californians. It is believed that many of the most disastrous forest fires have been caused by visitors who do not understand the importance of guarding against fire in the mountains.

Chaminade Lyric Club In Concert

Tuesday, May 28, Selected as
Date by Monrovia
Singers

The Chaminade Lyric Club of Monrovia, will give its second concert of the year Tuesday night, May 28, at 8:15, in the fine new union high school on West Orange Avenue, Monrovia, where nearly 1800 good seats will accommodate the music lovers of this vicinity.

In addition to the program of the club, Charles Wakefield Cadman, composer-pianist, and Chief Yowlache, noted Indian baritone, will assist as soloists.

These two outstanding American artists need no introduction to California audiences as they have appeared before the largest audiences in Los Angeles, in the Hollywood Bowl and elsewhere in the state where the best in musical talent is appreciated.

As a composer of opera and songs Mr. Cadman has been recognized internationally. In the Chaminade concert he will play a group of his own compositions and will also accompany Chief Yowlache in a group of Cadman numbers with the true Indian interpretation.

Chief Yowlache is a full blooded, perfect type of the Yakima tribe, possessed of a basso-cantante voice, gorgeous and resonant. His singing is marked by tender feeling and serious devotion. He will appear in the full regalia of an Indian chief.

Frederick Vance Evans, director of the Chaminade Lyric Club, is one of the foremost directors in Southern California. Mrs. L. R. Peck, accompanist, pianist and organist, has held many responsible positions in musical organizations.

Seats for the concert may be procured at the Central Pharmacy, and all are reserved at a uniform price of 50c.

The Chaminade Club will be hostess to the California Federation of Music Clubs on the afternoon of the concert, at the Aztec Hotel. Dinner will follow and the visitors will then attend the evening concert.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.

No. 272972
In the Superior Court of the State of California in and for the County of Los Angeles.
FRANK E. MATTHEWS, and IRMA B. MATTHEWS, Plaintiffs,
vs.
WILLIAM R. BRUNSON, et al., Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 7th day of May, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against WILLIAM R. BRUNSON and ELLA BRUNSON, Defendants, on the 1st day of May, 1929, for the sum of Eleven Hundred Nine and 28/100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 5th day of May, 1929, entered and recorded in Judgment Book 671 at page 182 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Pasadena, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

The West forty (40) feet of the East eighty-nine (89) feet of that part of Lot forty-nine (49), of J. H. Baker's Subdivision, as per map recorded in Book 10, page 60 Miscellaneous Records of said County described as follows: Beginning at a point in the North line of Lot 2, Subdivision, distant twenty (20) feet from the Northwest corner thereof; thence south, along the south line of land conveyed by John H. Baker and Ruth E. Baker to William Robertson and Emory S. Upton, by deed dated August 12th, 1904, recorded in Book 2136, Page 121 of Deed Records of said County, a distance of one hundred nineteen (119) feet, to the southeast corner of land conveyed by John H. Baker and Ruth E. Baker to William Robertson and Emory S. Upton, by deed dated August 12th, 1904, recorded in Book 2136, Page 121 of Deed Records; thence North along the East line of the land so conveyed to James A. Gafford, and the prolongation thereof, fifty-four (54) feet to the South line of Central Court, as established by deed records in Book 2188, Page 179 of said Deed Records; thence East along said South line of Central Court, one hundred nineteen (119) feet; thence South fifty-four (54) feet to the point of beginning.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 11th day of June, 1929, at 12 o'clock noon of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated May 7, 1929.
R. E. ALLEN,
Commissioner appointed by said Superior Court.
PAUL W. DAVIS,
Attorney for Plaintiff. 32:36

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE.

No. 269870, 269871 consolidated.
In the Superior Court of the State of California in and for the County of Los Angeles.
BANK OF ITALY NATIONAL TRUST AND SAVINGS ASSOCIATION, et al., Plaintiffs,
vs.
G. M. BARTLETT, et al., Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 8th day of May, 1929, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against G. M. BARTLETT and MINELVA E. BARTLETT, Defendants, on the 1st day of May, 1929, for the sum of Seventy-four Hundred and fourteen and 12/100 Dollars gold coin of the United States, plus interest and costs, which said judgment and decree was on the 2nd day of May, 1929, entered and recorded in Judgment Book 710 at page 145 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Pasadena, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot two (2) and three (3) of the Merchants' Tract, as per map recorded in Book 5, Page 56 of Maps, in the office of the County Recorder of said County; EXCEPTING the South 50 feet of said Lot 2.

Together with the tenements, hereditaments and appurtenances thereunto belonging or in any wise appertaining.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 4th day of June, 1929, at 12 o'clock noon of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated May 8, 1929.
R. E. ALLEN,
Commissioner appointed by said Superior Court.

Interesting News Notes from Sierra Madre Canyon

Mr. and Mrs. E. R. Garrison of Ohio, Neb., who have been visiting Mr. Garrison's niece, Mrs. James C. Hensley at the Hensley home on Oakdale Drive for the past three weeks, announce themselves so pleased with Sierra Madre that they are planning to remain for some time.

Miss Minerva Boatright was a guest of Miss Helen Holland at 3034 Vineyard Avenue, Los Angeles, on Saturday night at which time Miss Holland entertained a group of friends from her church. The rooms were decorated with roses and the evening was spent in games, after which refreshments were served to the guests. Miss Boatright and Miss Holland were luncheon guests of Mrs. Ella A. Cadmus at 601 Woodland Drive on Sunday.

Mrs. L. Halstrum was guest of honor on Sunday at a Mother's Day dinner given by members of her family at the Halstrum home at 643 Woodland Drive. A centerpiece of pink sweet peas adorned a long table set in the living room. The guests were Mr. and Mrs. C. S. Vaughn of Los Angeles, Mr. and Mrs. Einar Halstrum, Joyce Halstrum, Mr. and Mrs. Hartvig B. Henry of Pasadena, L. Halstrum and Theodore Halstrum. Mr. Halstrum was the recipient of many lovely gifts.

Mr. and Mrs. Leon S. Griswold had as their guest on Sunday Mrs. Griswold's brother, Charles F. Kistler of Chicago.

Mrs. Walter M. Calahan, a former resident, now of Sacramento, was a guest of Mrs. Ella A. Cadmus and Miss Laura E. Cadmus on Sunday and Monday at Cadmus Villa. Mr. Callahan is chief electrical engineer in the state department. Mrs. Callahan stated that Sierra Madre looked better to her than ever and that it was with regret that she was returning to Sacramento.

Guests of Mr. and Mrs. Blake C. Maxwell at 600 Woodland Drive for the week end were Mrs. Maxwell's parents, Mr. and Mrs. P. Callaghan of Long Beach. Mrs. Callaghan is remaining for the week.

W. C. Evans and children, Albert, Edith, Robert and Floyd of Bell spent Saturday, Sunday and Tuesday with Mr. Evans' parents, Mr. and Mrs. W. A. Evans, at their home on Brookside Drive.

Mrs. Sally M. Boaz left Wednesday night for the Breakers Hotel at Long Beach where she will be the guest for a week of her sister and brother-in-law Mr. and Mrs. C. W. Forbes of Manteca, who are attending the Lions Club convention.

Mrs. Frank E. Cox was a luncheon guest of Mrs. W. J. Stevenson, a former resident, at 312 Lomita Avenue, Glendale, on Wednesday. Mrs. Stevenson returned to the canyon with Mrs. Cox for a short visit with friends.

Mr. and Mrs. Robert McCartney and a group of friends and relatives from Pasadena enjoyed a picnic supper on the terrace under the oaks at the Canyon Store Thursday evening of last week. The occasion was in honor of Mr. and Mrs. T. S. Mason who are leaving shortly for Grinnell, Iowa, their former home, where they plan to remain for the summer.

City Park Gets Fine Care from Julius Lauber

The city park this year is assuming unusual beauty under the careful management of Julius Lauber, caretaker. The lawns to the north and south are in fine condition and the shrubbery and trees are showing splendid growth. Just at present the water lilies in the pool are a blaze of color and present a beautiful sight.

The dining tables show signs of much use, but are kept most presentable. Users give evidence of appreciation by removing papers and refuse. The park is acquiring more and more popularity among citizens here and an increase is also noted in the number of out-of-town visitors.

Mr. Lauber is assisted two or three days a week by Harry Biedler, who also is an expert in the care of lawns and shrubs.

Fire Flames

By One of the Boys

The chief said "Supposing the Solury and Davies store was afire, what would you do?" This was at 7:29 1/2 and at 7:30 the truck pulled out with blue shirts and black bow neckties hanging on all sides. Professional-like, each fellow donned a water-proof coat and at 7:34 water was coming thru Louie Kargers' nozzle. Had it not been for the timely arrival of Frank Lovell and Jim, Louie may have been searching for the El Monte airport for a landing. By the amount of hose that was laid, it would have been some advantage to have 80 foot streets on all sides. The chief must have meant business because he even had the small "goat" (from the canyon) launched at a fire plug. Within a very few moments there were enough nozzles attached to almost supply each member with one. This all looked very good until it came time to replace the hose on trucks. Gordon Brooks was introduced to this appalling operation, but for some unknown reason George Norris and Louie Karger were seen at the perspiration point, denying Gordon this wonderful experience.

At George Cox's expense the "Firemen's Catering Outfit" put on the feed after the practice and everyone ate heartily despite the poor service of the "catering company." This new outfit is becoming quite popular, although they are the homeliest group of human beings that ever entered the portals of the "knights of the blue shirts."

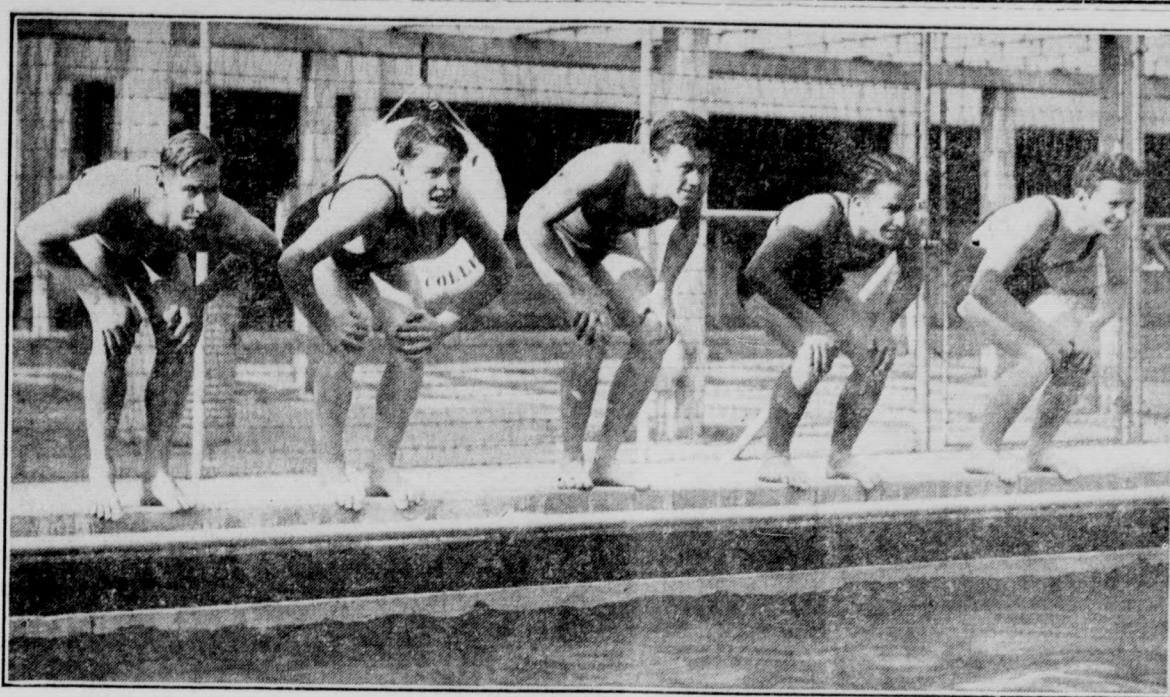

The "southwest corner" was in session (as per usual) with the inevitable fulminating sounds abounding persistently. Louis was leading with loudest reports. While his associates around the table raised serious objections, they were unable to overcome the effects of Louis's constant flow of "broken English" (it we may term it that) so Karger took home the ham.

Thom Schwartz is now a member of the "southwest corner" and is learning to hold his own.

Joe Swanson passed around the cigars last Friday evening—if you know what that means. He will now take first aid more seriously than he did before.

Roy Walsworth was excused from last week's meeting. Roy, with his truck, hauled a group of young folks up to Lake Arrowhead and although he wasn't at our meeting, we venture to say he was wishing that he was.

It is with sincere regret that we must disclose another of the chief's family affairs, but the near seriousness of the new incident or accident demands a report. To those who do not know, it may be of interest to know the surroundings of our chief's lovely little cottage. Bill and Mrs. Bill live in a lovely little nest at the entrance to the world-famous Sierra Madre Canyon. This canyon is

Charlton Schwartz

famous because of its swimming pools and beautiful foliage and a crackerjack fire department. (Someone of late hit the folks up there a dirty crack about other pools up there, notwithstanding there are similar pools all over the city and even higher up than the canyon folks.) In front of the chief's house are two or three large and handsome evergreens beneath which is one of the chief's principal hobbies. Here he has a beautiful green lawn that is very attractive to gophers and the neighbors' dogs, which keeps our hero busy at the front of the house. However, the front of his property is not alone in requiring attention, so apparently Mrs. Richards is assigned to that region of the home. Not alone is the back yard enhanced with the beauty of Bill's new car, but many large, old, crooked-limbed, and precious oak trees embellish the appearance of the estate. One of these cherished oak trees is of a very peculiar shape, possessing a limb that although two feet in diameter, does not rise above five feet from the ground and stretches forth for a considerable distance, crossing one of the pathways to the Richard garage.

Mrs. Richards had just returned from a card party and evidently being excited over what she had won, was rushing from the garage to the "nest" and ran head first into this above mentioned two-foot limb. Although the limb was considerably damaged by the concussion, it retaliated by sending Mrs. Richards to the mat for a short count. The mandolin, guitar or zither or whatever kind of a musical instrument it was she had won was heard to play beautiful music (to her—she was out) and went rolling across the lot. When the chief found her, she was rising at the count of ten, and pitifully looking at a never-to-be repaired tear in an expensive pair of silk hose. Carrying her into the house, the chief consoled her by telling her he would enjoy music played on the prize.

There have already been two grass-fire calls, and this is not so good. It is absolutely necessary that before burning without an incinerator, you MUST have a permit to do so. It is also required of everyone who burns anything of any sort, that they burn within an adequate incinerator. There is no excuse for endeavoring to "burn off a lot" without a permit. "Help us, keep down fires."

The next meeting of the S.G.V. F.S. will be held in Alhambra on the 23rd of May.

FIRE'S OUT!

Local People Are Guests at Home Of Louis Denni

Mr. and Mrs. Fred Herman were the guests of Mr. and Mrs. Emil Naumann of 600 North Auburn Avenue on an auto trip Saturday. The party visited Long Beach, the oil fields at Signal Hill, San Pedro, Redondo, the Palos Verdes estates and stopped in Wilmington for lunch at the newly acquired residence of Mr. and Mrs. Louis Denni, parents of Mrs. Naumann.

The Denni home is a beautiful colonial residence of twelve rooms, all newly decorated and surrounded by a half acre of lawn, flowers and shrubs, and is located at the corner of K street and Avalon Boulevard.

"Are you ever coming back to Sierra Madre again, to live?" Mr. Denni was asked. "I do not know; maybe, sometime," answered Mr. Denni. Sierra Madreans sincerely hope so, as Mr. Denni proved himself a highly desirable and public spirited citizen during the two years or more that he lived here on his beautiful estate at the head of Auburn Avenue.

CARD OF THANKS

I wish to extend my heartfelt gratitude to all the countless friends whose expressions of sympathy and assistance were of such comfort and help to me at the time of the death of my beloved wife, Agnes. And I wish to particularly thank Dr. E. L. Jackson for the excellence of his professional services, the Firemen's Club for their interest and help, Dr. Pritchard and Dr. Ogg for their aid and comfort, and the American Legion Post for the sympathetic interest shown and especially the six members who served as pall bearers.

Society and Personal

ENGAGEMENT OF FORMER RESIDENT IS ANNOUNCED

Mrs. J. C. Rihard formerly of Sierra Madre but now a resident of Pasadena, announces the engagement of her daughter, Martha Dell Rihard, to Arthur L. Fisher, the announcement being made at a very prettily appointed tea at her home 1705 East Locust street, Saturday afternoon at 5 o'clock. A color scheme of yellow and green was used throughout the house and on the tea table.
Present at the affair were Misses Margaret and Mildred Fisher, Elizabeth Settle, Dorothy Sayles, Ruth Wollom, Claire Padgett, Elva Lois Kellogg, Lorraine Nichols, Roberta Scott and Harriett Kime. Assisting the hostess was Mrs. William Adwell.

A game of hearts was played, the prize for the highest score being won by Miss Wollom and the consolation prize going to Miss Kellogg.

Miss Rihard is graduating from Pasadena Junior College in June where she has been prominent in the musical and dramatic productions. Mr. Fisher is the son of Mr. and Mrs. H. L. Fisher of Chadron, Neb., and will enter the University of Nebraska in September. No definite date for the wedding has been set.

EVENING OF MUSIC AT GAZE HOME

Mr. and Mrs. Leslie Gaze had a most delightful evening of music at their home Tuesday with twenty-two guests present. Those participating in the musicale were Mrs. Fred Clark and Mrs. Hoover of Long Beach, Mr. F. M. Eakman of Sierra Madre, Betty Nichols of Altadena, Frank House of Pasadena, and Mrs. Dickerson of Los Angeles. Mrs. Arbenz of Glendale was the accompanist. Mr. Gaze also sang many delightful selections.

PROWLERS ENTER MYERS HOME ON WINDSOR LANE

Officer G. G. McMillan was called Saturday night last to the home of Mr. Myers, 153 Wilson Avenue following a report that someone had been in the house in the absence of Mr. Myers. Miss Myers was in the front room and upon hearing noises in the rear of the house went to a neighbor's for assistance. Returning to the house they looked thru it thoroly. A putty knife was found in a clothes closet, and a window screen was found unhooked. The only evidence Mr. McMillan found was that the flowers under the closet window had been trampled.

STOLEN CHRYSLER COUP IS ABANDONED HERE

A Chrysler coupe, stolen from in front of a Pasadena theater Sunday night, was found about 1:30 Monday morning by Officer Gordon McMillan, parked between the homes of J. O. Smith and Mrs. G. I. Farman on West Central, where it had been abandoned. C. L. Kelly of Linda Rosa street, Pasadena, owner of the car, said it had been stolen between 10 and 11 o'clock in the evening. He recovered his car here Monday.

Joe Belohlavek's new airplane will be ready for a trial flight in a week or two. Joe is becoming an expert in rebuilding airplanes as he is in making repairs on tin lizzies and other ground vehicles, and appears to be getting a great kick out of putting his handicraft through the air routes.

Mrs. Olive Bell, who has been a guest at the Sierra Madre Hotel for the past two weeks is returning Saturday to her home in Long Beach with friends, Mr. and Mrs. Whiteside.

ENTERTAINED AT DINNER

Mr. and Mrs. Rudolph Hartman of 460 North Lima entertained at dinner Sunday evening in honor of Mr. and Mrs. J. D. Hartman and daughter Eleanor who are returning Thursday to their home in Cleveland, Ohio. They spent the past year in Pasadena. Those present were Mr. and Mrs. F. H. Hartman, Dr. and Mrs. C. J. Hartman, Mr. and Mrs. J. D. Hartman and daughter Eleanor and the host and hostess.

CONARDS ENJOYING VISIT IN ENGLAND

Mr. and Mrs. F. P. Conard of 33 West Mira Monte are enjoying a three months visit in England with Mrs. Conard's sister and other relatives. Previous to their sailing they visited Mr. Conard's sister in Philadelphia, and who, with her husband, sailed with them on a two-year honeymoon trip.

Mrs. Eva R. Evans has had as guests for a month her sister and husband, Mr. and Mrs. Scott of San Francisco.

The Central Garage has installed a new electric gasoline pump which gives quicker service to patrons.

Henry Greger and son, Henry Jr., spent the week end visiting his sister, Mrs. T. Fraiberg at Long Beach.

Mr. and Mrs. R. S. Hayden of San Diego spent Sunday with Dr. and Mrs. Herbert. Mrs. Hayden is Mrs. Herbert's sister.

Rev. J. E. Houegate and wife of Van Nuys spent Monday with Dr. and Mrs. H. L. C. Herbert. Mrs. Houegate is Dr. Herbert's sister.

J. Belohlavek received word this week of the death of his nephew's son, O. Griessner, five years of age, in Shasta county, California.

Mr. and Mrs. C. W. Collins report a delightful trip to the Grand Canyon. Some of the roads were under construction and in poor condition, near the canyon.

Chief George A. Kelly of the Los Angeles fire department, with

his wife and son spent Sunday, a week ago, with Dr. and Mrs. H. L. C. Herbert.

Mr. and Mrs. W. S. Hull and family had dinner in South Pasadena with Mr. Hull's brother, M. W. Hull.

Mr. Marvin Webster left Wednesday for Lake Tahoe and Walden, Colorado, where he will be employed for the summer.

Mr. and Mrs. W. S. Andrews spent the week end at Anaheim Landing, driving home early Monday morning and arriving in time for breakfast.

W. E. Craig and Tony Delvecci with their families spent Sunday at Brookside Park. A picnic lunch was spread at noon and the ball game enjoyed in the afternoon.

Mrs. Blanche Longley of Hollywood and Mary C. Walker of Los Angeles spent Mothers Day in Sierra Madre attending the services at the Congregational Church and later driving to San Dimas Canyon.

The Eastern Star will hold its regular meeting at the Masonic Temple next Tuesday, May 20. Refreshments and a program will follow the meeting. Mrs. Buckingham is chairman of the committee in charge. All members are urged to be present.

Friends of the Fraiberg Jewelry store will be interested to know that radio programs sponsored by one of their wholesale houses will be "on the air" over San Francisco station KTAB at 8:30 every Thursday evening, and over Los Angeles station KTM at 8:30 every Wednesday evening. This week's program is dedicated to the brides of the season—a half hour of melodies reminiscent of June and romance.

Mr. and Mrs. F. L. C. Roess motored to Las Vegas, New Mexico, Wednesday last, returning Sunday, May 12.

W. J. Ropp spent Sunday with his mother in Long Beach. She is improving in health.

Mr. and Mrs. Earl Topping were up from Long Beach for a couple of days the fore part of the week.

Dr. and Mrs. W. J. Barlow expect to leave next week, in company with Mr. John L. Severance of Pasadena for an extended trip east. They will visit their daughter in Cleveland, Ohio, during their stay east, and will return to Sierra Madre in about two months.

Mrs. Flora Tate and son Reynolds of Alhambra were guests at the Caley home on Mothers Day.

Herbert Clark returned Sunday from the California Lutheran hospital in Los Angeles. He is reported getting along very well at his home on North Adams street.

Communications

Editor, Sierra Madre News:
I want to compliment the Disappointed Ohioan about the roosters disturbing his sweet slumbers. Please, dear editor, if you will print this for me, I also chose Sierra Madre for my home when they told me that an ordinance had been passed so no roosters and chickens were allowed in this city. I am not alone surrounded by crowing roosters, but ducks quack and screech all night. Myself and my family have not had one night's rest since we came here. The ducks are worse than the roosters.

If Sierra Madre city officers could only realize how nerve-

racking it is to get no sleep they surely would enforce that ordinance. We think Sierra Madre a most beautiful place. We surely did not expect such uncivilized conditions. We all know that no other city would tolerate such unnecessary disturbance.
This town will never go ahead

unless the inhabitants can get their rest. For the good of Sierra Madre I hope that conditions will be made more peaceful and not let the roosters and ducks take away the charm of Sierra Madre.
Sincerely yours,
A Disturbed Hollywoodite.

By Osborne

A Lovely Afternoon

Woman's Club Notes

The meeting of the Woman's Club on Wednesday, May 22, at 2:30 will be open to all women of Sierra Madre and they are cordially urged to attend. There will be a splendid exhibit of art work done by different classes in the Woodrow Wilson school. As many Sierra Madre children attend the Wilson school it is hoped many parents will feel interested in seeing this exhibit and in hearing Mrs. Keith Harkness, the speaker for the afternoon. Mrs. Harkness will speak on "Art and Customs of Tibet" and is bringing with her many rare art treasures which she will exhibit.

The Current Events-Public Welfare section will meet Wednesday, May 22 at 11 o'clock. There will be reports of the state convention at Santa Cruz and Mrs. Robertson will lead a discussion on the action taken at the convention on the subject of Legislation and Public Affairs. Mrs. A. E. Halsey will make a special report on the subject of bill-boards and the attitude of the convention on this subject. Coffee will be served at 12 o'clock.

INTERESTING PROGRAM AT P.T.A. MEETING—

At the Wednesday P.T.A. meeting officers for the coming year were elected and an interesting program was given. A vote of thanks was extended to the retiring president, Mrs. J. Stimling. Officers for the ensuing year were elected as follows:

President—Mrs. Butts.
Vice Pres.—Mrs. H. C. Reavis.
2nd Vice Pres.—Mrs. G. M. McRoberts.
Secretary—Mrs. W. M. Fox.
Treasurer—Mrs. Roberts.
Historian—Mrs. W. Gruit.
Parliamentarian—Mrs. J. O. Smith.
Auditor—Mrs. J. A. Stimling.
H. A. Haworth, the speaker for the afternoon, stated that visual education is a most satisfactory method of teaching, approximately two-thirds of all knowledge we possess being obtained in that way. Facts gained visually are registered more accurately and retained for a greater length of time. Mr. Haworth illustrated his

At 1 o'clock Mr. William J. Fox, highway engineer of the Los Angeles county program of highways and scenic routes, will discuss Sierra Madre and county programs of highways and scenic routes. The section feels itself very fortunate in being able to secure Mr. Fox and it is hoped a large number will attend this, the third program on Regional Planning which this section has put on this winter.

The last meeting of the year of the Book Section was held on Wednesday, May 15. Mrs. Manchester gave a most interesting review of current books, calling special attention to the great simplicity and rare beauty in "The New Temple," by Johan Bojer.

There will be an afternoon tea in honor of Mrs. W. W. Slayden, newly elected president of the California Federation of Women's Clubs, at federation headquarters in Los Angeles on Friday, May 17, at 3 o'clock. All club members in the Los Angeles District are cordially invited to attend.—Mrs. Elmer A. Green, Press Chairman.

talk with slides and gave most interesting high-lights on the kinds of films and their constructions.

The Sierra Madre schools are well equipped with material for visual education, and are ranked among the more progressive schools in methods of teaching.

Miss Taylor's 4th grade class presented a health play portraying the valuable qualities of milk, cleverly acted. The following children took part: Delmar Mapp, Buddy Holland, Dallas Ropp, in the leading roles, assisted by Buddy McRoberts, Rudolph Hartman, Jr., Henry Shippey, Riviera Regina, Thomas Solury Jr., Bobby Elkins, Alberto Becerra, Hiroshi Mishyama, Eietta Jackson, Sylvia Schuster, Jules Woehler, Sara Karbonick, Rosana Majera, Roy Buchan and Jane Anderson.

The P.T.A. wishes to thank all those who so graciously assisted, donated food and those who patronized their recent food sale, and are grateful to Messrs. Solury and Davies and Mr. Stock-

er for space.

The organization wishes to take this opportunity to express its appreciation of the splendid and faithful work of Mrs. J. Stimling, the retiring president. There has been no task too great for her to undertake and her untiring devotion to duty and keen interest in the welfare of the children, the mothers and teachers vote her their heartfelt thanks.

MMES. WOEHLE

ENTERTAIN—

A very charming bridge luncheon was given at the LaRamada Inn in San Marino Monday by Mrs. John L. Woehler and Mrs.

The attractive patio of the Inn was the scene of a 1 o'clock luncheon. Bridge was later played in the newly reconstructed portion of the Inn, and a color scheme of orange, yellow and green were used in the decorations. Mrs. W. J. Lawless won first prize, Mrs. Howard Lieben second and Mrs. Charles Klunk Jr., the consolation.

ENTERTAIN ETERI CLUB MEMBERS—

Misses Tressa, Mary and Sophie Sanchez were hostesses at the regular weekly dinner meeting of the Eteri Club last evening in Bethany Social Hall. Dinner was served at 6 and the tables, laden with good things to eat, were beautifully decorated in green and yellow. Misses Dorothy Moote and Bobby Scott were in charge of the decorations. A program including toasts, an address and the Eteri songs followed the delicious dinner. Forty-three members and guests were present.

Jack Young, son of Mrs. Herbert Clark, has left the boat on which he was employed on regular trips to Honolulu, and will have a government position in Yosemite National Park. Mr. and Mrs. Nathan Tarr took their son, Bob, Jack Young and Jim Sinnott up to Yosemite Friday of last week. All three boys will be employed there for the summer. Mr. and Mrs. Tarr motored around the northern part of the state for several days and returned home the latter part of this week.

Mrs. M. C. Hawkins of 233 Ramona will entertain the Eleven and One Club on Monday night May 20, at 8 o'clock. Bridge will be played at several tables.

NOTICE INVITING SEALED PROPOSALS FOR FURNISHING AND LAYING COMPOSITION ROOFING ON THE GROVE STREET RESERVOIR FOR THE CITY OF SIERRA MADRE, CALIFORNIA.

Public notice is hereby given that sealed bids will be received by the Board of Trustees, also known as the City Council of the City of Sierra Madre, California, up to the hour of 2:30 o'clock P. M. of Tuesday, June 4, 1929, for the following:

To furnish labor and material for the complete installation of composition roofing to be laid on the wooden roof now in place on the Grove Street Reservoir in the City of Sierra Madre, all as specified in the specifications for said work on file in the office of the City Clerk of said City, which said specifications are hereby referred to and made a part of this Notice.

Said bids must be submitted on forms that will be furnished by the said City Clerk.

Copies of said specifications may be obtained at the office of the City Engineer, City Hall, Sierra Madre, California, or at the office of Engineer O. A. Gierlich, 209 Bank of Italy Bldg., Monrovia, California.

The Board of Trustees reserves the right to award any or all of the items called for in the proposal or to reject any or all bids not deemed advantageous to said City.

Each bid must be accompanied by a certified check in an amount of at least ten per cent (10%) of the total of said bid, payable to City of Sierra Madre, or an approved Surety Company bond for said amount and so payable, to insure the successful bidder entering into a contract satisfactory to said Board of Trustees.

The successful bidder will be required to furnish a surety company bond with an approved Surety Company as surety, in an amount equal to twenty-five per cent (25%) of the total amount of the bid for faithful performance of the contract and a similar bond in an amount equal to fifty per cent (50%) of the total amount of the bid as a statutory bond for the payment of labor and materials.

By order of the Board of Trustees of the City of Sierra Madre, California.

Dated at the office of the City Clerk of said City of Sierra Madre this 16th day of May, 1929.

L. DIETZ,
City Clerk of the City of Sierra Madre.

No special harm has been done so far, but we're willing to bet the next time Mr. Hoover runs he won't promise to call an extra session of congress.—Ohio State Journal.

Bar Mizvah of Joseph Shapiro Held Saturday

The Bar Mizvah of Joseph Shapiro, son of Mr. and Mrs. H. Shapiro of Sierra Madre, was held at the Masonic Temple Saturday, May 11, under the auspices of Temple Beth Israel. On behalf of the Temple, President A. Platt, received the new member of the Jewish community.

The Bar Mizvah made an excellent showing in reading from the Hebrew Scriptures, and in an address in Hebrew following the reading.

Nearly 100 guests from Los Angeles made the trip to be present on the occasion, and the parents were overwhelmed with congratulations. Mrs. Shapiro is president of the Ladies Auxiliary of the Temple Beth Israel of Sierra Madre, which is one of the most rapidly growing congregations in the vicinity of Los Angeles.

Mr. Shulman, head of the school connected with the Temple, gave a short address urging the necessity of adequate instruction of

Extend Time for Suggestions for Parade Theme

Mrs. J. Milton Steinberger, member of the Woman's Division, Pasadena Tournament of Roses, states that she is in receipt of advices from Mrs. Frederick J. Mills, chairman, that returns in the theme contest have not been entirely satisfactory and that the closing date has been set forward to May 25th. No suggestions have been presented from Sierra Madre and Mrs. Steinberger is particularly anxious that some return be made from this city. She offers to aid in every way possible in development of theme suggestions.

The younger generation in the Hebrew language, history and as a basis for the cultural life of the future.

The chairman of the board of education, M. Zeff, presented the Bar Mizvah with a volume of Jewish history. After the formal occasion, the parents received at their beautiful home a large con-

Father-Son Banquet Draws Large Crowd To Hear Able Talk

Seventy-five "old boys, middle-aged boys" and their lads turned out Thursday at the dinner meeting of the Men's Community Club held in the Congregational Social Hall for the annual Father and Son get-together.

Dr. Thomas Grice, pastor of the South Pasadena Methodist Church, fully lived up to his reputation as an able speaker and answered the question "What Is Your Boy worth?" by saying that first he is worth a Good Mother, second a Good Father, and third, a Good Home.

As one little fellow expressed it, "At first he made me have giggles, then he made me want to cry."

So That You May Know the Facts

THE CENTRAL AVENUE PROPERTY OWNERS' ASSOCIATION, ON MAY 10, SAID:

"If Councilmen Isaacs and Belohlavek are re-elected, they will be justified in claiming the people wish the Central Avenue project to go through as they, the two councilmen, originally planned.

"That Project will cost, according to figures given by engineer, November 8.....\$336,976
County May Pay 33,880
Net Cost to Sierra Madre\$303,096

"These figures, given by the engineer are "tentative." Final bills will run from 40 to 100 per cent more.

"Property Owners not only pay for installing ornamental lights but will pay for the electricity forever after.

"A Vote for Belohlavek and Isaacs is a vote for a bond issue of not less than \$300,000.

"PRESENT OUTSTANDING INDEBTEDNESS OF SIERRA MADRE:

School District Bonds	\$ 26,500.00
Water Bonds	361,500.00
Street Repair Bonds	2,000.00
Fire Apparatus Bonds	9,000.00
Park Bonds	26,250.00
City Hall Bonds	23,400.00
Str. Improvements (Vrooman Act Bonds)	65,486.00

Total, equaling more than 13 per cent of assessed valuation\$514,136.00

Anyone in the city wishing to learn exactly what their individual assessment will be on the Central Avenue improvement, on the basis of the estimates submitted by the engineers, can secure this information, either at the City Hall, or at the headquarters of the Progressive Civic League, 24 West Central Avenue. Telephone, Main 282.

Above we have given you the facts. We submit them to you so that you may make your own decision solely on the basis of FACTS.

Progressive Civic League of Sierra Madre.

BY EXECUTIVE COMMITTEE—Oscar Seiling, Ralph V. Richardson, Laura E. Cadmus, Dr. L. L. Krebs, R. S. Corlett, Oscar Rasbach, Mrs. May Sturmthal, Joseph P. Nash, Alexander Russell, George Schurmann, Mrs. H. A. Rogers, Joseph Weber, George Blakeslee, H. Arden, William A. Thomas, George E. Hapgood, Frank Spencer.

(Political Advertisement)

Here Are the Actual Facts:

Over their signatures, Councilmen Isaacs and Belohlavek publicly stated:

"It has always been and always will be our desire to abide by the wishes of a majority of the voters of this city. We shall find a method of securing an indication of the people's desires in this matter and shall be glad to abide by that decision in our official actions."

Actual estimate of engineers, submitted November 8, 1928, including cost of ornamental lights, which are not a part of the proposed improvement, \$303,096.00; County aid (estimated) \$33,880.00; Net Total Cost.....\$269,216.00

REVISED ESTIMATES, SUBMITTED BY ENGINEERS MAY 10, 1929

80-foot right of way west of Baldwin and 80-foot right of way east of Baldwin	\$255,857.50
County aid (estimated)	\$33,880.00
Net cost to Sierra Madre	\$221,977.50
80-foot right of way west of Baldwin and 65-foot right of way east of Baldwin	\$215,525.15
County aid (estimated)	\$33,880.00
Net cost to Sierra Madre	\$181,645.15

Assessments to property owners in the general assessment district, which includes the entire city will be as follows:

For 80-foot right of way thruout, \$6.488 per \$100 of assessed valuation of land.

For 65-foot right of way east of Baldwin, \$4.785 per \$100 of assessed valuation of land.

Thus, property assessed at \$600 would pay a total of \$38.93 for the 80-ft. plan and \$28.71 for the 65-ft. plan. A lot assessed at \$1800 would pay \$116.78 for the 80-foot plan, or \$86.13 for the 65-foot plan. These assessments are payable in 23 years. On this basis you can figure out your own assessment, if you know the assessed value of your land.

Remember, the improvement assessment is based on the assessed land valuation only.

Actual records of recent projects, on Huntington Drive, Atlantic Boulevard, Garfield Avenue and others, handled by the same engineers, show that the FINAL COSTS WERE FROM 15 to 20 PERCENT LESS THAN ESTIMATED COSTS.

Ornamental lights are paid for by FRONTAGE OWNERS ONLY and not by property owners of the city as a whole. THEY ARE NOT INCLUDED IN THE PROPOSED IMPROVEMENT OF CENTRAL AVENUE.

ABSOLUTELY NO CITY BOND ISSUE IS INVOLVED IN THE CENTRAL AVENUE PROJECT. THE IMPROVEMENT WILL BE PAID FOR BY ASSESSMENT AND NOT BY A CITY BOND ISSUE. CITY BOND ISSUES CAN BE MADE ONLY BY A TWO-THIRDS VOTE OF THE CITIZENS, NOT BY TWO COUNCILMEN.

ACTUAL BONDED INDEBTEDNESS OF SIERRA MADRE

School District Bonds	\$ 26,500.00
Water Bonds	357,500.00
Street Improvement Bonds	1,000.00
Fire Department Apparatus Bonds	9,000.00
Park Bonds	25,500.00
City Hall Bonds	22,800.00
Swimming Pool Bonds	7,600.00

Total, equaling approximately 11% of assessed val. \$449,900.00

The street improvement charge listed by the Central Avenue Association is not a city bond issue.

What Price Promises?

Councilmen Belohlavek and Isaacs claim they are misrepresented. They claim they did not promise anything on the Central Avenue Project.

Read the minutes of Council Meeting Nov. 13th, 1928 — a copy will be mailed you.

If men break one promise, officially ratified, can they be trusted to keep other promises? Can they be trusted with the city's business? Do Isaacs and Belohlavek believe the assessment figures they are quoting to property owners include *all* the cost? If they so believe, they should be willing to give bond to cover the difference between the assessments by the engineer's present figures and the bills the property owners receive.

WILL THEY GIVE THAT BOND?

Do they authorize the following statements which are being made in their behalf?

STATEMENTS

1. If Central Avenue is 80 feet wide the county will pay 40 per cent of the cost.
2. The county will pay more on an 80-foot street than a 65-foot street.
3. The county demands an 8-inch pavement.
4. The county will not put the road through Hastings ranch unless Central Avenue is 80 feet its entire length.
5. Those opposing Isaacs and Belohlavek are a bunch of kickers who always oppose improvements and progress.

TRUE ANSWERS

1. The county MAY pay 40 per cent of the cost of paving a 40-foot street, or 16 feet of paving.
2. The county will NOT
3. The county does not. The county will not pay for paving unless it is 6 inches thick or more. 6-inch macadam is acceptable to the county.
4. This statement has been denied repeatedly. The County Road Commissioner told the Trustees that the county did not dictate the width of streets within Sierra Madre.
5. Many of the Association and four of the committee worked for Central Avenue extension for years. They were working for good streets, good schools, parks and city hall before Isaacs and Belohlavek moved into town. The improvements for which the latter claim the credit are the result of years of educative effort before those men were in office.

This Association is strongly in favor of needed improvements, but they must be NECESSARY and sanely planned and we insist on councilmen in whom we have confidence to carry out such improvements.

Isaacs and Belohlavek claimed in their statement appearing in last week's "News" that they would conduct a dignified, open and above-board campaign.

How well are they keeping *that* promise? Are threats and attempted intimidation of opponents dignified, open, and above-board?

Vote YES to recall Isaacs.
Vote YES to recall Belohlavek.

Then Vote for Reavis and Stewart!

Public Meeting Friday, May 24

WOMAN'S CLUB HOUSE
8:00 P. M.

A week from tonight.

COME AND BRING YOUR NEIGHBORS.
